Re: **Board of Variance Appeal by Justin Takumi Taylor & Cynki Lau Taylor**
9586 Ashwood Drive

Purpose

The registered owners of 9586 Ashwood Drive have requested an appeal to the Board of Variance to extend the early termination date of the land use contract as it applies to their property from November 24, 2016 to June 30, 2024 (note: the applicant has not specified a date for their extension). A location map and aerial photo of the subject property is included in Attachment 1. A copy of the completed application package is included in Attachment 2.

Background

In 2014, the Province amended the *Local Government Act* to terminate all land use contracts (LUCs) by June 30, 2024. The legislation also enabled municipalities to consider earlier termination of LUCs provided those bylaws are adopted by June 30, 2022.

On November 24, 2015, Richmond City Council adopted a set of bylaws that will terminate 93 separate LUCs that include single family properties one year after adoption. The early termination date for those affected LUCs is November 24, 2016.

Section 543 of the *Local Government Act* allows the Board of Variance to consider appeals to extend the provisions of a LUC beyond the early termination date for a specified period of time ending no later than June 30, 2024. The appeal must be made by the owner alleging that the timing of the termination of the LUC would cause the owner hardship. The application must also be made within six (6) months of the adoption of the early termination bylaw, and the Board of Variance must make a decision on an application within six (6) months after the application is received. If an order is granted by the Board of Variance, it cannot run with the land. In other words, the appeal would not apply to future owners or purchasers of the property.

Findings of Fact

Table 1 indicates the regulatory context of the subject property, selected property features, and the date that the application to the Board of Variance was received.

Table 1	
Site Area:	371 m ² (3,993 ft ²)
Land Uses:	Existing two-storey single detached dwelling
OCP Designation:	Neighbourhood Residential
Underlying Zoning:	Single Detached (RS1/B)
Land Use Contract No:	LUC 088
Application Date:	May 17, 2016

Existing development immediately surrounding the subject property is as follows:

- To the north, immediately across Ashwood Drive, is an existing two-storey single-family dwelling under LUC 088 at 9611 Ashwood Drive.
- To the south, fronting Francis Road, is an existing two-storey single-family dwelling under LUC 088 at 9597 Francis Road.
- To the east and west are existing two-storey single-family dwellings under LUC 088 at 9604 and 9580 Ashwood Drive, respectively.

Table 2 provides a comparison of some of the key regulations for a single family dwelling at the subject property under the LUC, with the regulations of the underlying zone. The table does not include any site-specific amendments made since registration of the LUC.

* Preliminary estimate; exact building size to be determined through compliance review at Building Permit stage.

¹ Disclaimer: This comparison summary is provided for general information only and does not form a representation by the City. Any person making a land use, building construction or financial decision should obtain independent advice regarding all applicable regulations.

Public Consultation

In accordance with the *Local Government Act* and the Board of Variance Bylaw No. 9259, a notice of the subject application has been mailed to the applicant and to all owners and residents within 50 m (164 ft) of the subject property stating the subject matter of the application and the date, time, and place of the Board of Variance meeting at which the application will be considered.

The owner of the subject property and any member of the public may be heard by the Board of Variance at the meeting prior to the Board of Variance making a decision on the subject application.

Conclusion

The registered owners of 9586 Ashwood Drive have requested an appeal to the Board of Variance to extend the early termination date of the land use contract as it applies to their property from November 24, 2016 to June 30, 2024 (note: the applicant has not specified a date for their extension).

At the conclusion of the meeting of the Board of Variance, the Board may:

- grant or deny the order requested by the applicant and provide reasons for the grant or denial;
- request further information from the applicant, City staff, or any person who has made a submission to the Board in respect of the application and adjourn the meeting; or
- reserve its decision and provide a written decision at a later date.

Public Consultation

In accordance with the *Local Government Act* and the Board of Variance Bylaw No. 9259, a notice of the subject application has been mailed to the applicant and to all owners and residents within 50 m (164 ft) of the subject property stating the subject matter of the application and the date, time, and place of the Board of Variance meeting at which the application will be considered.

The owner of the subject property and any member of the public may be heard by the Board of Variance at the meeting prior to the Board of Variance making a decision on the subject application.

Conclusion

The registered owners of 10506 Yarmish Drive has requested an appeal to the Board of Variance to extend the early termination date of the land use contract as it applies to their property from November 24, 2016 to June 30, 2024.

At the conclusion of the meeting of the Board of Variance, the Board may:

- grant or deny the order requested by the applicant and provide reasons for the grant or denial;
- request further information from the applicant, City staff, or any person who has made a submission to the Board in respect of the application and adjourn the meeting; or
- reserve its decision and provide a written decision at a later date.
