

Target Area 6 Administrative Updates

2022 OCP Targeted Update

Several administrative updates are also part of this OCP update, which will focus on:

- Reviewing linkages between Sub-Area Plans, Area Plans and the OCP;
- Updating the City of Richmond's [Regional Context Statement \(RCS\)](#) and population growth projections, in alignment with [Metro Vancouver's Regional Growth Strategy update](#);
- Developing a Neighbourhood Service Centres Action Plan to create resilient, equitable, and adaptable neighbourhood services centres that provide residents with housing, jobs, services, and function as the public heart of neighbourhoods; and
- Updating the implementation strategy of the current OCP to review priorities, monitor progress, and provide annual reporting to Council.
