Staff Report

Origin

Austin Kay has applied to rezone 10151 Lassam Road (**Attachment 1**) from Single-Family Housing District, Subdivision Area E (R1/E) (minimum width 18m or 59 ft) to Single-Family Housing District, Subdivision Area B (R1/B) (minimum width 12m or 39.37 ft) in order to permit the subject property to be subdivided into 8 lots (4 fronting Lassam Road and 4 fronting Hollywell Drive)(**Attachment 2**).

Findings of Fact

| Item | Existing | Proposed |
|------------------------|--|--|
| Owner & Applicant | Austin Kay | To be determined |
| Site Size | 3763 m ² (40,506 ft ²) | Eight lots each approx 470m ² (5060 ft ²) |
| Land Uses | One large single family lot | Eight small single family lots |
| OCP Designation | Neighbourhood Residential | No change |
| 702 Policy Designation | R1/B | No change |
| Zoning | R1/E | R1/B |
| Heritage | Old Lassam house – not on the Heritage Inventory | Request documentation from the applicant |

Lot Size Study

Lot Size Policy 5420 (**Attachment 3**), adopted by Council in 1989, amended in 1992, and re-adopted along Lassam Road in 1995, permits the subject lot and the lots along Lassam Road to subdivide to R1/B size lots. Therefore the proposal is consistent with the Policy.

Staff Comments

Transportation

There are a number of traffic improvements required in this area therefore, a contribution of \$17,500 is requested for approximately half the cost of installing overhead flashers and wheelchair ramps at west leg of Steveston and Lassam. This work is scheduled in next year's capital budget.

Engineering

There are no requirements at time of rezoning. The Lassam frontage was recently upgraded by the City with a wide grass and treed boulevard. The developer is to co-ordinate their new driveway access with the City to (hopefully) retain all the existing street trees. With the future subdivision, details such as servicing the new lots will be determined.

Heritage

While the Lassam home is not on the heritage inventory it is recognized as having heritage merit. The applicants have been asked to deposit as many photos and records as possible in the City of Richmond archives in order that there be a record of this home. Additionally, the applicants

have offered to place ads in the local papers and real estate paper offering the home for free to anyone interested in moving it to another site.

Analysis

Staff is supportive of the application as it is consistent with the Lot Size Policy first adopted for this area in 1989. Additionally, the applicant has offered:

- a contribution toward the cost of an overhead illuminated sidewalk at Steveston Highway and Lassam Road;
- to give the building for free to anyone who is interested in moving it off site;
- to provide current and historical photos to be deposited in the City of Richmond Archives.

Financial Impact

None.

Conclusion

The application is to rezone the old Lassam property on Lassam Road into eight single family properties, four of which will front on Lassam Road and four will front on Hollywell Drive. Staff is supportive of the proposal as it is consistent with the Lot Size Policy for the area, because the applicant has offered to pay for transportation improvements for the area and because the applicant has made an effort to respect the historical nature of the home.
