Re: Delegation Request for General Purposes Committee, November 5, 2007

Dear Mr. Weber:

I wish to make a presentation to the General Purposes Committee at their regular meeting scheduled for Monday, November 5th with regards to the following:

- VFR (Visual Flight Rules) aircraft routing over Richmond for flights departing and landing at Vancouver International Airport.
- Airport noise related issues
- Aviation safety issues relating to air operations in and around Richmond

I understand that my time is limited to five-minutes, and will structure my remarks accordingly. I further understand that this matter is the first item on the G.P. Committee agenda which begins at 4:00 pm.

Yours truly,

Howard Jampolsky
