  9:00 am – 3:00 pm    \$200/5 sess Out-trip: Steveston Tram and Village												

## Outdoor Camp

Nature camps offer outdoor experiences for children, fostering an appreciation for nature. Participants will spend the majority of their time outdoors and should be capable of walking the equivalent of 1 km daily.

## Age Restriction

Enrolling your child in age-appropriate programs is crucial for their enjoyment and safety. Age calculation is based on a specific date: December 31, 2024. For example, children registered for Forest Friends must be 7 years old by the end of this year.

## Code of Conduct

Leaders will introduce a program code of conduct at the start of each camp week to ensure our programs maintain a safe and inclusive environment. Overall, the message is to be physically and emotionally respectful to oneself, others, and the physical spaces that the programs use or visit.

If a participant's behaviour is resulting in an unsafe environment for others, the participant may be asked to take one rest day away from programs. If further issues arise, the participant's attendance will be re-evaluated before they are allowed to return.

## On-line registration begins on Tuesday, May 7 at 9 pm

Nature Park programs reach maximum capacity quickly due to their popularity. To secure your spot, create an account in advance and preload it with credit.
