

Volunteering

Volunteers provide front counter and switchboard service and distribute crime prevention information. They manage and operate crime prevention programs within the community.

If you are interested in becoming a volunteer, please call the station or visit us.

Coverage Area

The South Arm Community Police Station services the area east from Gilbert Road to No. 6 Road; south from Blundell Road to Dyke Road. There are 14 elementary schools, four secondary schools, three major shopping areas, and approximately 50,000 people within these boundaries.

Location of South Arm COPS

The South Arm Community Police is located at 8880 Williams Road. We are in the South Arm Community Centre, on the south-west corner of the building.

Hours of Operation

Monday to Friday

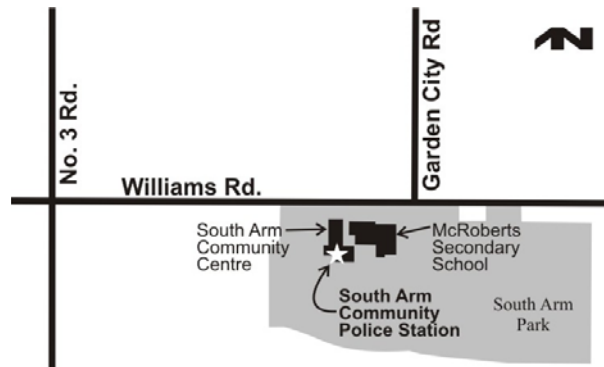

9:00 am to 5:00 pm

Closed on Statutory Holidays, Saturday and Sundays.

For non-emergency after hours service, please contact the Richmond Detachment at: 604-278-1212.

Emergencies - Dial 911

For information about any of the above programs or for additional crime prevention information, please contact or visit the station. We have a large selection of free printed material on a wide variety of topics including: child safety, reporting a suspicious drug house, ICBC programs and bicycle safety. We also lend out engravers.

Station Sponsored Outreach Programs

Speed Watch

Co-sponsored by ICBC

Promotes safe driving habits by alerting drivers to their vehicle's speed in school zones and on busy roadways. Trained volunteers, equipped with a radar and speed reader board, give drivers instant feedback regarding their speed. The volunteers keep records of the license plate number, the vehicle's speed, and a letter is sent to inform the vehicle's registered owner of the driving infraction.

Stolen Auto Recovery

Co-sponsored by ICBC

Trained volunteers are equipped with portable computers which are used to identify stolen vehicles. Volunteers help to recover hundreds of stolen vehicles each year.

Lock Out Auto Crime

Co-sponsored by ICBC

Volunteers conduct random vehicle checks looking for visible valuables, garage door openers, open windows or unlocked doors throughout the City. All inspected vehicles are given a notice, either thanking them for securing their vehicle properly or advising them how they can deter auto theft.

Volunteer Bike Patrol

Between May and October, pairs of trained volunteers on bike patrol observe and report suspicious criminal activity to the Police. Volunteers are equipped with reflective gear that identifies them as Police volunteers.

Richmond Detachment Sponsored Crime Prevention Initiatives

Home Security Checks

Richmond residents can take advantage of a free home security inspection to help protect their homes from break and enters. To schedule a Home Security Check, please call 604-207-4790.

Block Watch

A free, community-based, crime prevention program helping residents organize their neighbourhoods to prevent crime. Participants are taught to report suspicious activity to the Police. For more information, please call 604-207-4790.

The Station

The South Arm Community Police Station is an operational RCMP office. The volunteers at the Station take non-emergency complaints within the South Arm area. They also identify community concerns with an eye to problem solving. They recognize the value of partnerships with residents, the community centre, businesses, and local government in creating a safe and enjoyable community.

The station is staffed by a coordinator and volunteers.
