Please help conserve water and follow Metro Vancouver's water sprinkling restrictions June 1 - September 30

Community news covering June 5 - 19, 2008

CITY PAGE

Delhi 2 Dublin (D2D) blends east and west, electronic and acoustic, mainstream and underground. The five member crew takes listeners on a borderless trip through global sounds and synchronicities. The band fuses the traditional sounds of tabla, dhol, fiddle, and sitar with cutting edge DJ aesthetics, to create a highly charged multi-cultural dance celebration.

With the able help of global fusion pioneer, Adamh Shakh, they've just finished production of their first full length CD.

Lawn sprinkling Restrictions from June 1 - September 30

 During the summer months, City of Richmond residents are reminded of the lawn sprinkling regulations that are in effect throughout Metro Vancouver. From June 1 to September 30, lawn sprinkling is allowed only from 4:00 - 9:00 a.m. and 7:00 - 10:00 p.m. on the following days:

- **Even-numbered** addresses can sprinkle Wednesdays and Saturdays.
- **Odd-numbered** addresses can

sprinkle Thursdays and Sundays.

While these regulations apply only to lawns, residents and businesses are encouraged to think about water conservation, especially during the peak demand period of summer.

There are many ways to save water at home and in your yard. Check out these tips for WaterSmart yard care:

- Most lawns only need 2.5 centimetres of water each week.
- Water your lawn only when necessary and early in the morning to reduce evaporation.
- Use a watering can or a hose with a spring loaded nozzle to water flower beds and gardens.
- Regularly check your outdoor taps, pipes, hoses and sprinklers for leaks.
- When you add or replace shrubs or flowers in your yard, choose low water use plants for year round colour.
