## Fall leaves and trimmings

### Help keep your neighbourhood attractive and safe

Now that fall is here and trees drop leaves, many of our neighbourhoods become draped in a colourful carpet of foliage. Here are a few tips to make your community safe and clear of huge leaf piles.

#### Raking

Please do not rake leaves from your property or City's boulevard onto the sidewalk or street. Please ensure your street grates (storm sewers) are clear of leaves to promote water drainage and avoid walking accidents.

#### Composting/mulching

Properly composted and mulched leaves provide incredible organic matter and nutrients to the soil. Chopping leaves with a lawnmower speeds up their breakdown. Compost bins are available at the City's Recycling Depot for \$25.

#### Curbside collection for single family dwellings

Place leaves or trimmings in clear plastic bags or tied bundles (three feet by two feet). Place the bags

at the curbside. Yard and garden trimmings are collected the same day as garbage collection.

#### Drop-off locations

Residents can also deliver yard and garden trimmings to:

- **City's Recycling Depot**  
5555 Lynas Lane (close to River Road) (no charge to Richmond residents under one cubic yard amount) Open Wednesday to Sunday 9:00 a.m. – 6:15 p.m. Closed on Statutory Holidays
- **Ecowaste**  
Triangle Road off the south foot of No. 6 Road (no charge to Richmond residents) Open seven days a week Call 604-277-1410 for operating hours
- Commercial landscapers can drop-off yard and garden trimmings at the above locations or at Fraser Richmond Soil and Fibre on No. 8 Road for a fee. Call 604-220-2385 for operating hours and rates.
