Dog licencing for 2010

It's important for you and your dog

Beginning in November, invoices to renew dog licences for the 2010

calendar year will be mailed to dog owners who have previously licensed their dogs with the City.

The benefits of licencing your dog include:

- It provides identification, allowing us to return your dog to you sooner, if lost or stolen
- It provides statistics on the number of dogs within our community
- It supports the Richmond Animal Shelter and other animal related programs within our community

Each licence renewal fee will reflect any discounts available up to April 16, 2010. Payment instructions are included with the renewal and we encourage you to use Canada Post or the drop off boxes at Community Centres to make your payment. Renewal decals will be mailed to your home within four weeks of receiving your licence fee.

For more information and for residents without a licence for their dogs, please visit www.richmond.ca > Public Safety > Pets & Animals > Dog Licences for details, fees and application forms.
