## letsTALKrichmond.ca

**Check out Richmond's new online community**

Have a seat, relax, there's lots happening in your community. Visit [www.letsTALKrichmond.ca](http://www.letsTALKrichmond.ca) today and join conversations about important topics shaping Richmond's future.

The City has launched this robust and easy-to-use online portal. It gives visitors access to topic-specific discussion forums where you can respond to City questions and converse with like-minded community members. There are links to related photos, videos, frequently asked questions, project team members and more.

letsTALKrichmond.ca will initially run as a three month pilot program.

## Environmental sustainability workshops

**Register for free classes**

This series of workshops will show you ways to reduce pesticide use and create a more sustainable community. The workshops are part of the City's Pesticide Risk Reduction Policy and sustainability, waste reduction and water conservation initiatives. The workshops are free, however, registration is required. There are two ways to register:

- Online at [www.richmond.ca/register](http://www.richmond.ca/register)
- Through the registration call centre from Monday to Friday, 8:30 a.m. – 5:30 p.m. at 604-276-4300 (press "2" at the prompt)

If you register but cannot attend, please contact the registration call centre to make your space available for someone else.
