New Gas Regulations

No.: GAS-08
Date: 1995-10-04
Revised: 2004-05-26

Purpose:

- To inform owners, their agents, and gas contractors of regulation changes introduced by the Provincial Gas Safety Branch.

Background:

- The Gas Safety Branch issued a memorandum on August 16, 1995, that the CGA B149.1 M95 Gas Code and amendments came into effect on September 1, 1995.
- Included will be all of the Directives and Bulletins published with the new Gas Code published by the Provincial Gas Safety Branch.

Implementation:

- Effective for all Gas Permits issued on or after September 1, 1995, all gas installations must meet the requirements of B149.1 M95 which includes all amendments, directives, and bulletins.
- Should you have any questions, comments or suggestions concerning this bulletin please contact Mr. John Stephens, Supervisor, Plumbing/Gas Inspections at (604) 276-4326.

Reminder:

- All holders of the new regulations are responsible to complete and return the applicable cards contained in the publications to be eligible for future updates.
