To: Property Owners, Tenants and Leaseholders  
of Agriculture (AG) Zoned Land  
in the City of Richmond

Dear Sir/Madam:

**Re: Public Open House on the Agriculture (AG) Zone Setback for Accessory Residential Buildings and Structures**

**Purpose**

The purpose of this letter is to invite you to a Public Open House on Thursday, June 24, 2010 from 5:00 pm – 8:30 pm at the Cambie Secondary School Atrium, 4151 Jacombs Road, Richmond, B.C.

The purpose of the public open house is to examine options and seek public feedback related to what the maximum setback should be for accessory residential buildings and structures in the Agriculture (AG) zone in Richmond. Your comments and ideas will be considered by City Council for establishing this maximum setback in the Richmond Zoning Bylaw.

As a property owner, tenant and/or leaseholder of Agriculture (AG) zoned land in the City of Richmond, you are invited to attend this Public Open House.

**Survey**

At the Public Open House, a survey will be available for you to select a preferred setback option for accessory residential buildings (e.g., detached garage or carport; residential workshop; tool or storage shed; equipment room for a pool) and structures (e.g., swimming pool; tennis court; artificial ponds not serving farm drainage or irrigation; decorative landscaping and art installations).

A presentation explaining the survey will occur at 7:00 pm and City staff will be available before and after the presentation to answer questions and obtain input.

If you are unable to attend the Public Open House, a copy of the survey and presentation are available on the City of Richmond's web site ([www.richmond.ca](http://www.richmond.ca)) under City Services > Planning & Zoning > Current Planning Projects. We ask that all completed surveys be returned to the City by Wednesday, June 30, 2010.
