 Richmond, BC V6Y 2C1

Dear Mayor Brodie and Council;

At the May 15, 2008 meeting of the Board of Directors of the Steveston Community Society, the following motion was unanimously approved:

"That we accept the tram be positioned on the tracks with a station house in Steveston Park north of Rolston Square."

We envision a fully restored tram in full view of the park, with an accompanying station house modeled after the historic original Steveston tram station.

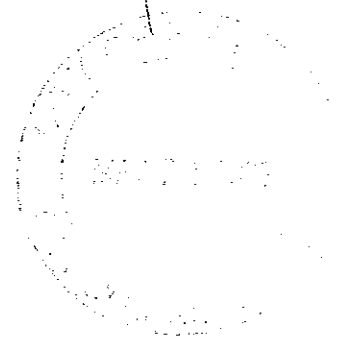

Kindest regards,

Jim Kojima
 President
 Steveston Community Society
