Meetings:

The Richmond Seniors Advisory Committee meets 10 times a year on the second Wednesday of the month. All meetings are open to the public. Monthly guest speakers are primarily from non-profit organizations, local health service providers, City departments and representatives from programs and services serving seniors. Guest speakers provide committee members with insight into senior's issues as well as resources available to seniors and their families in the community. Committee. Committee members would like to thank all guest presenters that took the time to provide us with a wealth of information about their organizations.

Membership with Committees and Groups
