1476262	No	24006193	PetParker Solutions Inc.	2024 /01 /18	2024 /03/13	PetParker Canada helps brick-and-mortar businesses and other venues address the opportunities and challenges stemming from the unprecedented rise in pet ownership in Canada (~1 in 3 households) through our network of "smart dog houses" (PetParker stations). These purpose-built, monitored and fully managed stations are a safe and comfortable space for pet owners to "park" their pets for short periods, providing them with greater flexibility to combine shopping and errands into their daily routines. We work with retailers (e.g. Grocery stores, drug stores, liquor stores, etc.), shopping centres, hospitality (e.g. Quick service restaurants, coffee shops, etc.), gyms, health and wellness clinics, and public venues that don't allow animals (other than service animals) or need a better way to enhance safety, comfort and hygiene for everyone.	812910		610 E 21st Ave VANCOUVER BC V5V 1R7 CAN	1	0		1	0	0	0		0.00	No	2023/03 /02	Corporation

These vending machines would dispense instant ramen and provide cheap and affordable meals to the people in other Richmond businesses that would want these vending machines. We require this business license so that we can legally import these machines and pay the relevant taxes but we don't have a location in Richmond for the vending machine yet as potential customers of the vending machine want to look at the vending machines in person. This business license will act as the rental services for providing the vending machines to potential clients in Richmond. With regards to the address, as we will be importing on a needs basis rather than having a store or showroom, I will be using my home address but will not be doing any selling or operations there. Once a location has been confirmed by another Richmond business I will issue the vending machine license to apply for the physical machine that will be installed in the business.	532310	7995 Westminster Hwy Unit 1302 Richmond BC V6X 3Y5	135 Haliburton St Unit 204 NANAIMO BC V9R 4V9 CAN	2	0	2	0	0	0	0		0.00	Yes	2024/09 /30	Individual
