Environmental Terms and Conditions of Contract

1.0 Environmental Policy Requirements

1.1 The City of Richmond's Environmental Purchasing Policy

The City of Richmond's Environmental Purchasing Policy states:

In order to increase the development and awareness of environmentally sound products and services, City of Richmond staff will review their contracts and tender specifications for goods and services, to ensure that wherever possible and economically feasible, specifications are amended to provide for consideration of environmental characteristics. Consideration may be given to those environmental products that are certified by an independent accredited organization.

The City of Richmond as a whole will endeavour to increase its use of products and services that are more responsible to the environment in the way they are made, used, transported, stored and packaged and disposed of. It is recognized that analysis is required in order to ensure that the products are made available at competitive prices, and that the environmental benefits provided by a product or service should not significantly affect the intended use of that product or service.

- 1.1.1 The City of Richmond reserves the right to request information from bidders that will demonstrate compliance to this environmental purchasing policy.
- 1.1.2 Bidders are asked to supply information on environmentally preferable products and services that meet all specifications and performance requirements.
- 1.1.3 Placing the City of Richmond in breach of its environmental policy or environmental laws will result in the termination or suspension of an agreement, at the sole discretion of the City.

1.2 Environmental attributes of company

- 1.2.1 It is desirable that suppliers to the City of Richmond have an environmental policy statement approved at the executive level and implemented across the company.
- 1.2.2 Suppliers who have pursued environmental certification such as ISO 14001 should include this information with their bid. The ISO 14000 Series is a set of international standards for voluntary environmental management for both private and public organizations. It is designed to promote environmental compliance, ensure a commitment to pollution

prevention, and foster continual improvement of environmental performance through efficient environmental management.

- 1.2.3 The City of Richmond strictly subscribes to an environmental policy that requires all suppliers to be in compliance with all environmental laws and regulations regarding the manufacture, processing, handling, provision, disposal and waste management of goods and services.

1.3 Environmental purchasing resources

- 1.3.1 The City of Richmond Environmental Purchasing Guide is available from the City of Richmond Web site.

General Conditions of the Contract

1. Definitions

The two parties to the contract/Purchase Order. are the Contractor and the City, defined as follows:

The Contractor: The successful bidder for the work upon receipt of a purchase order and/or written acceptance of his Quotation from the City.

The City: City of Richmond.

Acceptance of the City of Richmond Purchase Order deems acceptance of all conditions of the Supply and Delivery Contract.

2. Responsibility For Supplies

The Contractor shall be responsible for the supplies covered by this contract until they are delivered at the designated delivery point, regardless of the point of inspection; and the contractor shall bear all risks of loss or damage to rejected supplies after notice of rejection.

3. Inspection

All supplies shall be subject to inspection and test by and shall meet the approval of the Manager of Purchasing and Risk and his decision shall be final and binding upon all parties.

In case any supplies or lots of supplies are defective in material or workmanship otherwise not in conformity with the specifications of the contract, the Manager of Purchasing and Risk shall have the right either to reject them or to require their correction.

Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, but failure to inspect and accept or reject supplies shall not relieve the contractor from responsibility for such supplies as are not in accordance with the specifications.

4. Warranty

Unless otherwise specified, the contractor warrants that in the manufacture of the supplies only the best workmanship and materials have been employed and if, within a period of one (1) year from the date of acceptance of the supplies by the City, such supplies or any portion thereof are found by the City to be defective or faulty due to

General Conditions of the Contract (Cont'd)

imperfect or bad workmanship or material, the contractor agrees, to replace such defective supplies forthwith without expense to the City.

5. Payments

The contractor shall be paid within 30 Days after the submission by the contractor of properly prepared invoices to the Accounts Payable Section for supplies delivered and accepted or services rendered and accepted. However, the City may withhold an amount equal to two times the value of goods or services not provided by the Contractor from any amounts owing to the Contractor.

6. Indemnification and Insurance

The Contractor will indemnify, hold and save harmless the City from and against all claims, losses, damages, costs, actions and other proceedings, made, sustained, brought or prosecuted in manner, based upon, occasioned by attributable to any injury, including death, property damage, infringement or damage arising from any act or omission of the Contractor, his employees, officers, volunteers, servants or agents or persons from whom the Contractor has assumed responsibility in the performance or purported performance of this agreement.

7. Liens

The Contractor shall fully indemnify the City from and against any and all liability or expenses by way of legal costs or otherwise in respect of any claim which may be made for a lien or charge at law or inequity or to any claim or liability under the Builders Lien Act, or to any attachment for debt, garnishee process, or otherwise.

8. Patent Fees

The Contractor shall pay all royalties and licence fees and shall save the City harmless from loss on account of suits or claims of infringement of patents in the doing of the work.

9. Default

- (a) The City may, by notice of default to the contractor, terminate the whole or any part of this contract if the contractor fails to make delivery of the supplies within the time specified, or to perform any other provisions of this contract.
- (b) In the event the City terminates this contract in whole or in part as provided in clause (a) the City may procure supplies or services similar to those so terminated, and the contractor shall be liable to the City for any excess costs for such similar supplies or services.

General Conditions of the Contract (Cont'd)

- (c) The contractor shall not be liable for any excess costs under clause (b) if failure to perform the contract arises by reason of strikes, lockouts, acts of God or acts of the City.

10. Taxes

Unless otherwise provided herein, the Contractor shall pay all government sales or excise taxes in force at the date of the Contract/Purchase Order, provided that any increase or decrease in such taxes shall increase or decrease the amount due under the Contract accordingly. Invoices must show the appropriate amounts for Goods and Services Taxes and Provincial Sales Taxes separately.

11. Laws

The laws of British Columbia shall govern the work.

12. Time

Time shall be the essence in this Contract.

13. Assignment

Neither party to the Contract shall assign the Contract without the written consent of the other.

14. Changes

The City may make changes to the Contract and time and value shall be adjusted accordingly, except for emergencies all changes shall be made by written order.

15. Notices

Any notice required to be given in this Contract shall be deemed to be duly given to the City if sent by registered mail addressed to the City's Purchasing and Risk Manager at "City Hall, 6911 No. 3 Road, Richmond, BC V6Y 2C1" and to the Contractor if sent by registered mail addressed to the Contractor at the address set forth in the Quotation.
