TO THOSE WHO HAVE RECEIVED COPIES OF 4715 EOI

Dear Sir/Madam:

**Re: Request for Expressions of Interest – 4715 EOI
Addendum No. 1
Design Services for 2013 Drainage Capital Projects**

This addendum forms part of the Expression of Interest and shall be read, interpreted and coordinated with all other parts. The following revisions supersede the information contained in the original Request for Expression of Interest to the extent referenced and shall become part thereof.

Proponents shall acknowledge receipt of this addendum by inserting its number and date in the submission.

1. QUESTIONS RECEIVED FROM CONSULTANTS & SUBSEQUENT ANSWERS

1. Q: Is the Title/Table of Contents page counted as part of the 10 page limit? If yes, is it possible to have this removed from the page count?

A: The Title/Table of Contents can be excluded from the page count.
2. Q: Is it acceptable to submit resumes in an appendix or must these be included within the 10 page limit?

A: The resumes can be submitted in an appendix.
3. Q: Is it acceptable to submit additional information in an appendix i.e. 1 page Project Sheets?

A: Additional information can be included in an appendix.
4. Q: Can we submit only for the linear drainage works and not for the Bath Slough Drainage Pump Station?

A: Linear drainage works can be submitted independently of the pump station
5. Q: Item 10.1 II.e History of litigation and claims: Can this requirement be waived from the EOI? Also, we as well as some of our subs are global companies, therefore where

would we draw the line for a 3 year history? Local only? Canada only? etc

- A: The history of litigation and claims are required for Canada only. Names are not required, only number of claims for the past three (3) years immediately prior to the closing date.

Sincerely,
