This Addendum includes items of clarification, forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. Please review and consider the following information in the preparation of your quotation:

Question: Could you please clarify what the unit 'no' means? Is it equal to each?

Answer: In the schedule of quantities, in the column named UNIT. When there is a 'no' it means number. So when the table has a 'no' in the column and the column to the right has an 'Est Qtys' of 8 it means that there are 8 units.

Proponents must sign and include this Addendum with their submission.
