- 5.1 By submitting a Quotation, the Bidder warrants that neither it nor any of its officers or directors, or any employee with authority to bind the Bidder, has any financial or personal relationship or affiliation with any elected official or employee of the City or their immediate families which might in any way be seen by the City to create a conflict.

6.0 Evaluation of Quotations

- 6.1 Quotations will be evaluated on the basis of the overall best value to City based on quality, service, price and any other criteria set out herein including, but not limited to:
- a) the Bidder's ability to meet the Requirements, qualifications and competencies set out herein;
 - b) financial offer including but not limited to life cycle cost (transaction price, estimated residual value, operating cost including maintenance, repair and fuel costs) warranty, and any other life cycle considerations;
 - c) the Bidder's ability to meet the delivery timelines set out herein;
 - d) the Bidder's business and technical reputation and capabilities; experience and where applicable, the experience of its personnel; financial stability; track record; and references of current and former customers;
 - e) financial stability;
 - f) equipment quality, configuration, age and condition; and
 - g) the completeness and detail of the quotation including but not limited to the organization and general appearance of the quotation, compliance with quotation instructions; and;
 - h) any other criteria set out in the RFQ.
- 6.2 The City may, prior to Contract award, negotiate changes to the scope of the Work, the materials, the Specifications or any conditions with any one or more of the Bidders without having any duty or obligation to advise any other Bidders or to allow them to vary its prices as a result of changes to the scope of Work, the materials, the Specifications, or any conditions, and the City shall have no liability to any other Bidder as a result of such negotiations or modifications.
- 6.3 Preference may be given to Quotations offering environmentally beneficial products or services. Specifically, in accordance with the City's Green Fleet Policy 2020, vehicles with highest fuel efficiency and cost effectiveness based on

PART A – INSTRUCTIONS TO BIDDERS

considerations of life-cycle costing and financial investment requirements and vehicles which maximize the use of alternative fuels and technologies will be considered.

7.0 Acceptance and Rejection of Quotations

- 7.1 Notwithstanding any other provision in the Quotation documents, the City has in its sole discretion, the unfettered right to:
- a) accept any Quotation;
 - b) reject any Quotation;
 - c) reject all Quotations;
 - d) accept a Quotation which is not the lowest Quotation;
 - e) accept a Quotation that deviates from the Requirements, Specifications or the conditions specified in this Quotation;
 - f) reject a Quotation even if it is the only Quotation received by the City;
 - g) accept all or any part of a Quotation; and
 - h) split the Requirements between one or more Bidders.
- 7.2 All Quotations shall be irrevocable and remain open for a minimum of 60 (sixty) days after the Closing Time, whether or not another Quotation has been accepted.
- 7.3 The City may waive any non-compliance with the RFQ, the Requirements, the Specifications, or any conditions, including the timing of delivery of anything required by this RFQ and may elect to retain for consideration Quotations which are non-conforming, which do not contain the content or form required by the RFQ or which have not complied with the process for submission set out herein.

8.0 Award of Contract

- 8.1 Award of a Contract is contingent on funds being approved and the contract award being made by the appropriate City authority.
- 8.2 The purchase order, the Quotation, the RFQ and such other documents including all amendments or addenda, shall form the basis for the Contract between the Contractor and the City. In the event of a conflict between any of the Contract Documents, the following documents will take precedence and govern over each other in the following order of priority from highest to lowest:
- a) The City's purchase order including the standard purchase order terms and conditions;

PART A – INSTRUCTIONS TO BIDDERS

- b) Or any mutually agreed to amendments between the Bidder and the City;
- c) The Quotation; and
- d) The RFQ and any subsequent addenda.

8.3 Where the head office of the successful Bidder is located within the City and/or where the successful Bidder is required to perform the Service at a site located within the City, the successful Bidder is required to have a valid City business license prior to Contract execution.

8.4 The City is not under any obligation to award a Contract and may elect to terminate this RFQ at anytime.

9.0 Quantities

9.1 The quantities stated herein are the City's best estimates of its requirements and should not be relied on. Actual quantities may vary.

9.2 The City may, at its discretion, require additional units to the ones required under this RFQ 4997Q. Bidders are requested to supply information on pricing on similar units for the next 1 (one) year period.

10.0 Alternates and/or Variations to Specifications

10.1 Except where stated otherwise herein, the Specifications describe what is considered necessary to meet the performance requirements of the City and Bidders should bid in accordance with such Specifications, or if the Bidder cannot meet the Specifications, the Bidder may offer an alternative which it believes to be the equivalent.

10.2 If in addition to bidding on goods, materials, equipment and/or services that meet the Specifications, the Bidder wishes to offer an alternative, the alternative Quotation shall be submitted separately in the same format as the initial Quotation.

10.3 The City is not obligated to accept any alternatives.

10.4 The City will determine what constitutes allowable alternatives and/or variations.

11.0 Freedom of Information and Protection of Privacy Act (BC)

11.1 Bidders should note that the City is subject to the Freedom of Information and Protection of Privacy Act (British Columbia), which imposes significant obligations on the City's contractors to protect all personal information acquired from the City in the course of providing any service to the City.
