Staff Report

Origin

This report addresses the following referral made at the Parks, Recreation, and Cultural Services Committee meeting held on January 29, 2019:

That the Tree, Bench, and Picnic Table Dedication Policy 7019 be referred back to staff, and in particular to (i) review the 10-year dedication period restriction, (ii) examine increasing the maximum number of plaques allowed, and (iii) review budget options.

This report also addresses the following referral made at the Council meeting held on February 19, 2019:

That a moratorium be put on the Tree, Bench, and Picnic Table Dedication Program pending staff review of Policy 7019.

Analysis

Background

The City of Richmond's Tree, Bench, and Picnic Table Dedication program was introduced in February 1991. The program was initiated to provide a funding source for trees, benches, and picnic tables along Richmond's waterfront and high-use parks or trails. There are currently 561 benches and 100 picnic tables in the parks furniture system of which 479 have dedications.

The program was immediately popular as a means to commemorate friends, family members, or important events through plaques placed on park benches and picnic tables or through the planting of trees in select parks or trails. In the period February 1991 to March 2003, 325 benches and 32 picnic tables (totalling 357) were funded and installed through the dedication program.

As the lifecycle of the standard bench is approximately 10 years, it became evident that the City did not have a sustainable funding source for the replacement of the original benches once they deteriorated. To address this issue, the City conducted a program review and in March 2003, the original Policy 7004 "Tree and Bench Donation" was repealed and replaced with Policy 7019 "Tree, Bench, and Picnic Table." This new policy included an updated fee structure for the program to account for maintenance and replacement costs, and established a 10-year term associated with each bench and picnic table dedication.

The 357 existing program participants were provided an extension in that their 10-year dedication term commenced April 14, 2003, as opposed to the actual date that the bench or picnic table was installed. All program participants on file were mailed a letter informing them of this update to the Council policy, and that in ten years there would be an opportunity to renew their dedication at current day costs. During that period, the City would maintain and replace the assets as needed through existing operating or capital budgets.

Several program participants have recently notified staff that they did not receive the letter informing them of the policy update, either because the contact information was not up to date or because the primary contact for the dedication had changed and the information had not been passed on.

Tree, Bench, and Picnic Table Donation Account

Dedication program funds are received by the City as donations. A tax receipt is issued to the dedicator for the amount of the dedication, minus the cost of the plaque. Following the policy update in 2003, the maintenance funding for new dedications (122 in total) has been placed in tree, bench, or picnic table donation accounts. Table 1 illustrates the amount of existing funds available in the tree, bench, and picnic table donation accounts as of April 30, 2019.

Table 1 – Funds Remaining in Tree, Bench, and Picnic Table Donation Accounts

Donation Account	Remaining Funds (as of April 30, 2019)
Tree Donations	\$8,454.77
Bench Donations	\$224,698.82
Picnic Bench Donations	\$50,402.38
Total	\$283,555.97

The bench and picnic table donation funds are used to service the 104 benches and 18 picnic tables that were dedicated after April 2003, for which the funds were collected.

The City has been maintaining and replacing the 357 benches and picnic tables that were dedicated prior to April 2003 through existing operating or capital budgets.

2018 Policy Update and Initiation of 10-Year Renewals

To initiate the 10-year renewal process, on March 12, 2018, Council approved an update to Policy 7019 “Tree, Bench, and Picnic Table Dedication” (Attachment 1) and accompanying Fee Schedule 7019.01 (Attachment 2) to reflect 2018 operating and maintenance costs for the bench and picnic table portion of the dedication program. No changes were made to the tree dedication program as it operates on a full cost recovery model and has sufficient capacity to meet current demands.

The fee schedule for dedicated benches and picnic tables (2018) is summarized in Table 2 below. These costs do not include a charge for a plaque as it assumes that the pre-existing plaque(s) will transfer over to the dedication renewal. If a new plaque is required, the donor will incur the cost of \$500 per plaque for manufacturing and installation.

Table 2 – Fee Schedule for Dedicated Benches and Picnic Tables (2018)

Item	Manufacture Cost	Installation/Admin	Maintenance	Plaque	Total
Bench	\$1,200	\$800	\$1,000 (\$100/yr)	\$0	\$3,000
Picnic Table	\$1,700	\$800	\$1,000 (\$100/yr)	\$0	\$3,500

In October 2018, renewal letters were sent to the 377 program participants that had a bench or picnic table dedication up for renewal. This includes the 357 program participants (325 bench dedications and 32 picnic table dedications) whom requisitioned dedications prior to 2003.

Following this correspondence, several of the original program participants voiced their concerns to staff, Council, and the media about having to renew their dedications as they had believed the dedication was in perpetuity and at no further cost. Although all original program participants on file were notified of the renewal terms in 2003, there are several instances in which the primary contact for the dedication changed over the past 15 years without notice to the City. As such, the current contact was not aware of the policy update and the introduction of the renewal term.

In Perpetuity Dedications

At the Parks, Recreation, and Cultural Services Committee meeting held on January 29, 2019, there was discussion related to in perpetuity dedications.

From the onset of the program in 1991 to the policy update in 2003, there were three different administrative forms used to process dedication requests (see Attachment 3 for an example). The forms do not indicate that the City would maintain the dedication in perpetuity. The forms also do not address the inevitable replacement of these benches. The forms do state, however, that the costs are subject to change without notice. Council updated the policy in 2003 to clarify this information and to provide a sustainable framework by which donors could continue their dedications when the original bench was due for replacement. Many other Metro Vancouver municipalities were faced with similar challenges with their dedication programs and implemented similar policy changes over the past two decades. A common approach that municipalities have taken is to service dedications made prior to the introduction of the renewal term until the end of the bench's lifecycle, at which point the dedication would need to be renewed.

Very few cities offer in perpetuity dedication programs, and those that do exist are being phased out due to high costs and/or program saturation. The City of Vancouver previously offered an in perpetuity option at a cost of \$25,000, whereby funds were placed into an endowment fund to finance ongoing maintenance. This option was discontinued in January 2018 due to program saturation, which bars new donors from accessing dedication opportunities in popular areas. New York City charges \$10,000 USD for in perpetuity bench dedications in Central Park, which are similarly invested into an endowment fund for ongoing maintenance and replacement.

In perpetuity dedication programs are not common as cities are thereby committed to maintain the dedicated assets forever. City landscapes have changed a great deal over the past century, and are continuing to change at a rapid pace. Committing to maintain dedicated park assets indefinitely restricts the ability of cities to adapt to changes in service delivery needs, landscape and environmental factors, and regulatory regimes.

Options for Council's Consideration

At the Parks, Recreation, and Cultural Services Meeting held on January 29, 2019, staff were directed to review the 10-year renewal term and bring back options for Council's consideration. At

the subsequent Council meeting held on February 19, 2019, a moratorium was placed on the dedication program pending the outcome of the review process.

This report presents four options, with corresponding financial impacts, for Council’s consideration. A scan of the renewal terms and associated costs of other municipalities is included as Attachment 4.

Option 1 – Proceed with the Renewal Process as Per Existing Council Policy

This option involves proceeding with the renewal process as per the existing Council Policy 7019, which was amended on March 12, 2018. The original agreement between the City and the pre-2003 dedications did not specify maintenance, replacement, or an in perpetuity condition. As the lifecycle of a standard outdoor park bench or picnic table is typically 10 years, the original asset has since been refurbished or replaced. This option ensures that there is a sustainable funding source to maintain the dedicated assets at appropriate levels of service.

This option also allows for dedication turnover as participants leave the program. This provides new opportunities for other community members wishing to commemorate loved ones through a dedicated bench or picnic table. If a donor chooses not to renew, the plaque(s) will be returned and the location will be made available to the public, with priority given to individuals on the waiting list. If a response is not received, extensive efforts will be made to contact dedicators or family members.

Should the renewal fees pose a financial hardship, staff will work with individuals and families to find workable solutions to continue their dedications. Options include sharing a bench or picnic table with another dedicator, which is enabled under Policy 7019, or setting up payment plans.

There is no financial impact to the City with Option 1 as the renewal process will fund the refurbishing or replacement of dedication benches and annual maintenance for 10 years.

Option 2 – 10-Year Renewal Exemption for Pre-2003 Program Participants

This option involves creating a one-time renewal exemption for the 357 program participants that had dedicated a bench or picnic table prior to the policy change in 2003. As several program participants have expressed that they were unaware of the policy update in 2003 and the introduction of the renewal terms, this would allow them an additional 10 years to prepare for the renewal process.

The financial impact to the City of granting this exemption for 325 benches and 32 picnic tables is \$108,700 per year for 10 years. A breakdown of these costs can be found in Table 3 below.

Table 3 – Option 2 Financial Impact

Item	Renewal Fee	Number Affected	Annual Cost	10-Year Cost
Bench	\$3,000 (\$300/year)	325	\$97,500	\$975,000
Picnic Table	\$3,500 (\$350/year)	32	\$11,200	\$112,000

An impact of this option is that the opportunity for natural turnover in the program would be delayed. As individuals move away from Richmond and others move into the city, existing residents would continue to have limited opportunities to access the more popular waterfront locations for dedications.

Option 3 – One-Time Reduced Renewal Fees for Pre-2003 Program Participants

This option involves a one-time reduced renewal fee for the 357 program participants that had dedicated a bench or picnic table prior to the policy update in 2003. With this option, donors would only be required to fund the bench (\$1,200) or picnic table (\$1,700) replacement costs. The installation, administration, and yearly maintenance costs (\$1,800) would be funded by the City. This group of donors would be required to pay the full renewal fees following the end of this initial 10-year reduced fee renewal term (projected to be January 2030).

The financial impact to the City of partially subsidizing the renewal fees for 325 benches and 32 picnic tables is \$64,260 per year for 10 years. A breakdown of these costs can be found in Table 4 below.

Table 4 – Option 3 Financial Impact

Item	Amount Funded by the City	Number Affected	Annual Cost	10-Year Cost
Bench	\$1,800 (\$180/year)	325	\$58,500	\$585,000
Picnic Table	\$1,800 (\$180/year)	32	\$5,760	\$57,600

Option 4 – Implement Fixed Term Dedications with No Option to Renew

This option involves making the dedication term lengths fixed and eliminating the option for renewal. This option allows for consistent turnover of program participants, ensuring fair and equitable access to popular areas. The City of Surrey recently adopted this approach by implementing a fixed dedication term length of 20 years with no option to renew in the same location. Should Council endorse this option, the recommended dedication term length is 10 years for all new dedications, with no option to renew. All existing dedications will be permitted one renewal term, at the existing renewal fees, after which no additional renewal terms will be granted. Staff would revise existing Policy 7019 to reflect this change and would bring this updated policy to Council for adoption at a future date.

There is no financial impact to the City with Option 4 as the program fees will fund the refurbishing or replacement of dedication benches and annual maintenance for 10 years.

Updating Contact Information

Staff have been addressing the challenges of incorrect contact information by searching through City databases and online sources to obtain current information. If during the renewal process the dedicator cannot be contacted, their plaque(s) will be removed and safely stored. The bench will

then remain empty for one year before becoming available to a new dedicator, in hopes that the family or family friends will visit the bench during that year and contact the City for more information.

Return of Dedication Plaques

Should an existing program participant choose to not renew their dedication, the dedication plaque will be returned to the dedicator. Feedback received from existing participants is that they would generally prefer the return of their plaques so that they can be displayed in their homes, in their gardens, or elsewhere where there is a personal connection. Participants have expressed that there is a deep connection with the site of the dedication bench. As such, the return of the plaques is preferable over the City's re-installment of the plaques at a separate site.

Number of Dedication Plaques

The existing council policy allows up to two dedication plaques to be installed on a dedicated bench or picnic table. The cost of a second plaque is not included in the dedication fee and is an added cost of \$500 for manufacturing and installation. A second plaque can be added to a bench or picnic table at any time during the dedication period, but will not extend the original term itself.

Attachment 5 provides illustrations of a standard bench with 2, 3, or 4 plaques. An increased number of plaques allows for an increased number of individuals to be commemorated on a single bench. However, an increased number of plaques decreases the amount of "clear" space available on a bench for sitting. Individuals often avoid sitting directly in front of a plaque as the protruded lettering can be uncomfortable to lean against. To help mitigate this issue, plaques will be recessed into the wooden slats wherever possible moving forward. As well, the plaques are sometimes perceived as private memorial markers, in front of which some individuals prefer not to sit out of respect. Increasing the number of plaques permitted on a bench also has the potential for creating an inconsistent look across the City's parks and open space system. For these reasons, most Metro Vancouver municipalities allow only a single plaque, with a small number allowing two. There are no known municipalities that permit more than two dedication plaques per bench.

Dedicators wishing to commemorate multiple individuals on a bench can do so by combining multiple names onto one or two plaques. As such, staff do not recommend increasing the number of plaques on a bench.

Lifting the Moratorium

Upon Council's endorsement of a preferred option, staff recommend that the moratorium on the dedication program be lifted.

Financial Impact

Should Council endorse Option 1, there is no financial impact as the renewal process will fund the refurbishing or replacement of dedication benches and maintenance for 10 years.

Should Council endorse Options 2 or 3, the cost will be considered in the 2020 budget process with an estimated financial impact of \$64,260 to \$108,700 per year as an additional level for ten years.

Should Council endorse Option 4, there is no financial impact as the renewal process will fund the refurbishing or replacement of dedication benches and maintenance for 10 years.

Conclusion

The City of Richmond's Tree, Bench, and Picnic Table Dedication program remains a popular opportunity for community members to recognize loved ones, while simultaneously contributing to the enhancement of Richmond's parks and open space system. The existing Council policy allows this limited resource to be accessible to a wide range of community members, and ensures the program is sustainably funded over the long-term.

Adopted by Council: April 14, 2003

Amended by Council: March 12, 2018

POLICY 7019:

It is Council policy that:

1. The cost of the purchase and planting of the tree shall be charged to the dedicator. This is to be based on the average cost for purchase and installation by City forces of a seven-centimetre calliper tree, subject to annual review.
2. The City shall have final approval of the tree type and planting location. All requests for special tree species/varieties or particular planting areas shall be accommodated, whenever possible. Higher costs incurred by these requests shall be charged to the dedicator.
3. The City shall include the tree in its normal schedule of care or maintenance.
4. The cost of the purchase, installation and maintenance of the bench or picnic table shall be charged to the dedicator. This is to be based on the average cost for purchase, installation and maintenance by City forces of a standard City bench or picnic table for a 10-year period. City staff will review costs annually and will adjust accordingly. The maintenance funding is placed into a tree, bench, and picnic table reserve account.
5. City Staff will acknowledge the bench or picnic table dedication for a period of 10 years from the date of installation.
6. Dedicators will have the opportunity to continue their sponsorship of the bench or picnic table after the 10 year dedication period by paying the current fee for replacement of the bench or picnic table. If the dedicator is not interested in continuing the dedication or cannot be contacted (within six months of the 10-year term expiring), the plaque will be removed and the site will become available for a new dedication. It will be the responsibility of the dedicator to keep their contact information current with the City of Richmond.
7. The City shall have final approval of the location and style of the bench or picnic table.
8. The City shall have final approval of plaque size, style, and wording. A maximum of two plaques per bench is permitted.
9. The tree, bench and picnic table shall become City property. Staff reserves the right to relocate or remove the tree, bench, or picnic table whenever necessary. A reasonable effort shall be made to notify the dedicator if their tree, bench, or picnic table is affected.
10. A tree, bench, and picnic table dedication account shall be established for those unable to purchase a whole tree, bench, or picnic table, but who wish to contribute funds. No plaques shall be permitted in this case, but City recognition of some type shall be considered.
11. A City record will be established to record all commemorative trees and contributions.
12. Placement of memorial wreaths, flowers, or other items or any modifications to the tree, bench, or picnic table will not be permitted.

FEE SCHEDULE 7019.01:

Tree, Bench and Picnic Table Dedication Charges Schedule

Effective February 2018, the following fee schedule will apply for City of Richmond Tree, Bench and Picnic Table Dedications:

1. Dedication fees will be levied so as to recover all or a portion of overall operating costs.

- To ensure the dedicator pays all or a portion of the direct operating costs for tree, bench and picnic table installation and 10 years guaranteed maintenance.
- All rates and charges will be adjusted to accommodate the changes in operating and maintenance costs and tree, bench and picnic table acquisition costs.

2. The General Manager, Community Services or designate will have the authority to waive or reduce fees and alter fees for services for promotional purposes and to quickly establish fees for experimental services.

- To permit the General Manager, Community Services or designate to make allowances for unusual circumstances.
- Unusual dedication requests for tree, bench or picnic table installations where a higher cost is involved will be considered on an individual basis, taking in to account the true cost of acquisition and installation, and maintenance costs.

3. Dedication fees are as follows:

Item	Includes	2018 Rate
Trees	Each dedication will recover the full cost of tree acquisition, site preparation, and planting of the tree to City of Richmond standards.	Full cost recovery.
Benches	The dedication amount for benches will be inclusive of installation, site preparation, plaque production and installation, and 10 years guaranteed maintenance.	\$3,500.00
Picnic Tables	This dedication amount will include the cost of picnic table manufacturing, site preparation, delivery, plaque production and installation, and 10 years guaranteed	\$4,000.00
