 - a financial statement
- For the Upcoming Year
 - a proposed work program
 - a proposed budget.

ACE shall incur expenses only for Council authorized items, and City policy and procedures shall be followed.

ACE may draw upon external consultants and volunteers to assist in fulfilling its mandate, provided that any expenditure can be accommodated within the approved ACE budget.

Richmond City Council shall review ACE's annual budget submission and provide funding based on City budgetary priorities.

10. Implementation

ACE shall implement a Council approved work program and fulfil its mandate incrementally as tasks are matched by available resources, and as skills, knowledge and experience develop.

a) **Setting Environmental Goals, Objectives and Policies**

ACE shall provide advice to City Council on appropriate goals, objectives and objectives for the achievement of a sustainable environment; for example, ACE may provide advice to Council and staff which assists in:

- developing a vision for a sustainable environment in Richmond; and
- determining appropriate goals, policies, objectives and guiding principles to achieve a Sustainable Environment.
- Note: The State of Environment Report and Richmond Official Community Plan are the two main City documents for articulating this vision.

b) Environmental Data Gathering, Information Exchange and Research

ACE shall gather information on environmental issues and provide Council and the public with credible, independent information, options and recommendations on key issues of concern, for example ACE may:

- invite information, opinions, options and recommendations from independent sources, such as consultants, academics, industry, business, community groups and environmental organizations
- convene public forums on environmental issues
- make recommendations to Council regarding the necessity for reports and studies on particular environmental issues.

Having participated in creating a State of the Environment Report for Richmond, ACE shall:

- continue to assist in regular updates of this report; and
- will recommend to Council appropriate programs for preparing such updates.

c) Environmental Issue Response Co-ordination

ACE shall co-ordinate public responses to significant environmental issues, for example:

- receive referrals from Council for the consideration of significant environmental issues
- invite submissions from individuals, groups and organizations
- respond through recommendations and proposals to Council
- establish task forces or sub-committees to address key issues of concern in detail as required
- initiate and co-ordinate additional environmental management measures and initiatives;

In the longer term, the ACE may make recommendations to City Council on a wider range of environmental issues and co-ordinate additional measures or initiatives as required, for example:

- recommend priorities for managing environmental issues;
- recommend long term strategies for environmental protection, sustainability, conservation and mitigation;
- suggest processes for facilitation, assisted negotiations (mediation) or other forms of dispute resolution where a significant dispute or conflict is a component of an environmental issue which is brought to its attention.

d) Environmental Policy Review

ACE shall identify environmental issues and evaluate if they are adequately or appropriately addressed by the policies, programs and practices of the City of Richmond.

ACE may, for example:

- collect and submit evidence of environmental problems or foregone environmental opportunities which would be addressed by a change in City or agency policies, programs and practices,
- present evidence and reasoned arguments on potential future environmental problems or opportunities that could be addressed by changes in City or agency policies, programs and practices.

In the longer term, ACE may recommend to Council a periodic review of policies, programs and practices that affect the environment and propose terms of reference for such reviews.

11. Code of Conduct

Conflict of Interest:

- A conflict of interest exists if a Committee member is a director, member or employee of an organization seeking to benefit from the City or if the Committee member has a direct or indirect pecuniary (financial) interest in the outcome of Committee deliberations.
- Committee members who have a conflict of interest with a topic being discussed shall declare the conflict, describe the nature of the conflict, leave the room prior to any discussions and shall refrain from voting.
- Committee members are not permitted to directly or indirectly benefit from their participation on the Committee during their tenure and for a period of twelve (12) months following their term(s).

Professionalism:

- Committee members are expected to act in accordance with the City's Respectful Workplace Policy (Policy 6800), including being respectful towards other members.
- Committee members must devote the necessary time and effort to prepare for meetings, arrive at meetings on time and provide feedback consistent with the Committee's mandate. Any Committee member who is absent for three (3) meetings of the Committee without reason satisfactory to the Committee may be removed from the Committee.

Reporting and Social Media:

- The Committee members may not represent themselves as having any authority beyond that delegated in the Terms of Reference approved by Council.
- Items will be presented to the Committee if referred by Council or staff and the standard process of communication is through staff to Council. Committee members

may communicate directly to Council or the media, if the Committee members identify themselves as an individual, and not as representatives of the Committee.

- Any use of social media must, as with all other forms of communication, meet principles of integrity, professionalism and privacy.

Should a Committee member violate the Code of Conduct or act outside the Terms of Reference, the Committee member may be removed from the Committee.
