TINY TOTS PIANO PROGRAM – ADULT AND TOT

Plant the seed of musical curiosity in this specialized piano program led by an early childhood music educator from the Richmond Music School where young musicians build creative confidence by learning the fundamentals of music in a nurturing environment. Students will learn on a “tiny piano,” a toddler friendly instrument with 25 keys designed for early childhood cognitive development and physical growth. In addition to playing the piano, students will enjoy fun activities that include movement and singing. The small class size (6) allows for more time and attention for individualized instruction and structured activities. Parent or guardian participation required. The Mic Drop!

The Mic Drop! Children and Youth Open Mic Night is a new initiative for children and youth within Richmond hosted by the Richmond Youth Media Program and the Richmond Arts Centre. The event is a cozy open mic music night that takes place at the new lounge space at the Richmond Cultural Centre Annex.

A comfortable atmosphere for musical showcases encourages children and youth of all musical backgrounds to gain confidence with performing amongst their peers. This event will take place in the evening of the first Friday of each month. Acoustic guitar, electric guitar, keyboard piano and e-drums available for use or musicians can bring their own instruments. Drop-in participation is welcome.
