

**PRCS Model Proposed by Jim Tanaka
Submitted May 20, 2004**

Execution of Services/Programs

Modify Existing System ? New Model

Consumer Satisfaction
(needs are met to sustain the quality of life through vision, values & mission statements, commitments and 6 guiding principles)

Cohesive Network is a must for successful & well-managed Corporation.
Strive to meet community's vision, value & needs, and provide the quality of life accessible for every citizen – "haves & have-nots"
