- 4.5.2 No **Permit** or any interest in a **Permit** will be transferred or assigned, without the advance written approval of the **General Manager**. Unless such advance approval is provided by the **General Manager**, where an **Owner** sells, transfers, or otherwise disposes of a **Subject Property**, the **Permit** will be revoked and returned to the **General Manager**, and no further **Deposit** or **Removal** will be permitted on the **Subject Property** unless and until a new **Permit** is issued for the **Subject Property**.

- 4.5.4 The **General Manager** is authorized to specify conditions consistent with the **Traffic Bylaw**, for traffic control, haul routes, and utilization of a **Highway** in connection with a **Permit**. Without limiting the generality of the foregoing, a **Permittee** or **Owner** may be required to maintain a truck log detailing:

4.7 Permit Renewal, Extension, or Modifications

- 4.7.1 If the **Deposit** or **Removal** operations authorized by a **Permit** are not completed before the **Permit** expires, the **General Manager** may renew, extend, or modify the **Permit** upon written request of the **Permittee** or **Owner**, subject to the following:
- (a) there is no obligation on the **City** to renew any **Permit** upon expiry of the **Permit**, except where the **Deposit** or **Removal** is being carried out pursuant to an approval issued by the province, in which case the **Permit** may be extended (annually or otherwise) for the period of time necessary to allow for the completion of the **Deposit** or **Removal** authorized by the provincial permit or other approval;
 - (b) the **Permittee** shall pay a non-refundable **Permit** renewal fee as specified in the **Consolidated Fees Bylaw**;

 - (d) subject to section 4.7.1(a), the **General Manager** may renew or extend a **Permit** for an additional period of not more than one (1) year at a time; and
 - (e) the **General Manager** may require that the **Permittee** provide additional information authorized by this Bylaw as a pre-condition to considering an application for a **Permit** renewal, extension or modification.

5.1.2 The **General Manager** may issue a **Permit** subject to the observance or fulfilment of additional conditions specified in the **Permit** which in the opinion of the **General Manager** are necessary to achieve the purposes of this Bylaw.

PART SIX: ADMINISTRATION

6.1 Inspections

PART SEVEN: ENFORCEMENT

7.1 Enforcement

7.1.1 If an **Owner** of a **Subject Property** or a **Permittee** contravenes a provision of this Bylaw or a **Permit** condition, the **General Manager** may issue a **Stop Work Order** notifying the **Owner** and **Permittee** of such a contravention and may instruct the **Owner** and **Permittee** to correct the contravention. Such a correction may include, but not be limited to:

Unless exempted by the **General Manager**, the **Applicant** would be

required to meet all other requirements within the Bylaw or **Permit**, should one be issued. If an application is not submitted within the specified period, the **General Manager** is authorized to stipulate the means to correct the contravention.

- 7.1.2 If the **Owner** of the **Subject Property** or a **Permittee** fails to correct a contravention referenced in section 7.1.1, by the date specified in the **Stop Work Order**, or as otherwise instructed by the **General Manager**, then:
- (a) the **City** or its appointed agents may enter upon the **Subject Property** or any part thereof and may carry out such works and undertake such actions as the **City** deems necessary to correct or remedy the contravention; and

- 7.1.3 Other than in case of emergency (as determined by the **General Manager**), in which case notification from the **City** is not required, the **City** will give ten (10) days' written notice to the **Owner** of the **Subject Property** of the **City's** intention to carry out works pursuant to section 7.1.2.
- 7.1.4 If the **City** carries out works pursuant to section 7.1.2, the **Owner** of the **Subject Property** will reimburse the **City** for the **City's** cost of carrying out such works, plus a 20% administrative fee, within ten (10) days of receiving a written request by the **City** for such reimbursement. If not paid within ninety (90) days, the expense, with interest at the prescribed rate and costs, shall be recovered in the same manner and with the same remedies as municipal taxes or as per section 7.1.5.
- 7.1.5 The **City** may cash and use the **Security Deposit** provided pursuant to section 4.2.1, for one or more of the following purposes:

 - (c) to satisfy any outstanding fee payable under this Bylaw, including but not limited to, any outstanding volume fee as determined by a final topographical survey.
- 7.1.6 The **City** will not be liable for any damage, loss or expense of any nature or kind whatsoever, arising out of or in connection with the issuance of a **Permit**, or the **Deposit** or **Removal** of any material, or any other action by the **City** under this Bylaw.
- 7.1.7 In the event of damage to **City** or privately-owned drainage facilities, **Watercourses**, **Highways**, lands, utilities, or other **City** or privately-

owned **Property** or facilities, resulting from a **Deposit** or **Removal** operation, the **Owner**, or an agent of the **Owner**, will promptly and properly repair the damage to the satisfaction of the **General Manager**.

- 7.1.8 All drainage facilities, **Watercourses**, and ground water aquifers will be kept free of **Soil** and **Other Material** originating from the **Deposit** of **Soil** or **Other Material** upon a **Subject Property**, and every obstruction or damage caused to such drainage facilities, **Watercourses**, or ground water aquifers will constitute an offence under this Bylaw.
- 7.1.9 Dirt, mud, debris, and other substances, which as a result of a **Deposit** or **Removal** operation, are **Deposited** on a **Highway**, will be removed on a daily basis by the **Permittee**. Where the dirt, mud, debris, and other substances cause a hazard or nuisance, they are to be removed immediately by the **Owner** or **Permittee** unless otherwise directed by the **General Manager**.
- 7.1.10 Where **Soil** or **Other Material** is to be **Deposited**, or **Soil** is to be **Removed**, and is to be transported over a **Highway** or portion in the **City** that is restricted to truck traffic, as defined in the **Traffic Bylaw**, the **Permittee** will be responsible for any damage occurring to that **Highway** as a result of the transportation of the **Soil** or **Other Material**.
- 7.1.11 Section 7.1 is without prejudice to any other remedies available to the **City** under this Bylaw, under other **City** bylaws, under other **Applicable Laws**, or in equity.

- 8.1.2 An application for reconsideration must be delivered in writing to the **City Clerk** and must set out the grounds upon which the **Applicant** considers the requirement or decision of the **General Manager** inappropriate and what, if any, requirement or decision the **Owner** or **Applicant** considers **City Council** ought to substitute.
