Board of Variance

Thursday, July 7, 2016

Applicant's Comments

On behalf of Wade Gork, the applicant's wife, Jennifer Wong, provided a brief overview of the application to the Board of Variance.

In response to queries from the Board, Ms. Wong confirmed that:

- They do not currently reside in the home at 4411 Windjammer Drive and are the owners of the rental property.
- They wish to build a new home at 4411 Windjammer Drive and to live in the new home in their retirement years.
- They are the owners of the home in which they currently reside.

Written Submissions

- (a) David and Liliana Chamberlain, 11351 Clipper Court (Schedule 1)
- (b) Vicki Lingle, 4391 Windjammer Place (Schedule 2)

Gallery Comments

Vicki Lingle, 4391 Windjammer Drive, provided a written submission that has been noted as Schedule 2.

Ms. Lingle commented that the applicant should not receive special consideration, noting that the applicant does not reside in the home at 4411 Windjammer Drive and is not part of the neighbourhood community. Ms. Lingle expressed the opinion that the proposed construction of a three-storey home would not fit within the character of the neighbourhood and would shade the neighbouring properties.

In response to a query from the Board, Ms. Lingle advised that she is not planning to construct a larger home on her property.

Staff Comments

In response to queries from the Board, Cynthia Lussier, Planner 1, confirmed that there is an application to demolish and construct a new home immediately south of the subject property.

Board Discussion

Discussion ensued on the merits of the appeal under Section 543 of the Local Government Act noting:

- The early termination of the Land Use Contract might create a future, not a present, hardship to the owner.
- The concern that the construction of a three-storey house would not fit within the character of the neighbourhood.

Board of Variance
Thursday, July 7, 2016

- The current zoning allows for a house of approximately 2,735 square feet, including a garage, to be built on the subject property.

Board Decision

It was moved and seconded

That the application seeking to extend the early termination date of the Land Use Contract as it applies to the property at 4411 Windjammer Drive from November 24, 2016 to June 30, 2024, be denied.

CARRIED

Opposed: S. Virani

2. **BOARD OF VARIANCE APPLICATION BVL 16-728642**

(File Ref. No.: BVL 16-728642) (REDMS No. 5046112)

APPLICANT: Peter McCrae

ADDRESS: 11340 Caravel Court

PURPOSE: The applicant is seeking to extend the early termination date of the land use contract as it applies to their property from November 24, 2016 to June 30, 2024.

Applicant's Comments

Peter McCrae provided a brief overview of the application to the Board of Variance.

In response to queries from the Board, Mr. McCrae provided the following information:

- A financial hardship would be created if he were required to rebuild in accordance with the Land Use Contract at this time.
- A financial hardship would be created if he were restricted to building a smaller home in the future as it would not be equal in value to the other homes in the neighbourhood.
- Confirmation that he intends to build a larger home in the future to accommodate living arrangements for his family and his mother.
- The current home is approximately 2,000 square feet.

Written Submissions

None.

Board of Variance
Thursday, July 7, 2016

Gallery Comments

Cheryl Murphy, 11260 Caravel Court, spoke in support of the application.

Ms. Murphy responded to queries from the Board with respect to the applicant's engagement with the community.

Staff Comments

In response to queries from the Board, Cynthia Lussier, Planner 1, provided the following information:

- No applications have been received to demolish and construct new homes adjacent to the subject property.
- The underlying zoning and the Land Use Contract, allow for a home to be built on the subject property of 3,400 square feet and 5,500 square feet, respectively, inclusive of a garage.
- Applications to build under the Land Use Contract provisions will be accepted until November 24, 2016.

Board Discussion

Discussion ensued on the merits of the appeal under Section 543 of the Local Government Act. It was proposed that the decision be deferred until the applications submitted by the three property owners on Caravel Court are heard.

Board Decision

It was moved and seconded

That the decision be deferred until the applications from all property owners on Caravel Court are heard by the Board of Variance and staff be directed to schedule the hearing of the two remaining applications at the same meeting.

CARRIED

ADJOURNMENT

It was moved and seconded

That the meeting adjourn (8:23 p.m.).

Re: Board of Variance Appeal (Xiaosheng Li, 10671 Hollymount Drive)

Purpose

The registered owner of 10671 Hollymount Drive has requested an appeal to the Board of Variance to extend the early termination date of the land use contract as it applies to their property from November 24, 2016 to June 30, 2024 (the applicant has not specified a date for their extension). A location map and aerial photo of the subject property is included in Attachment 1. A copy of the completed application package is included in Attachment 2.

Background

In 2014, the Province amended the *Local Government Act* to terminate all Land Use Contracts (LUCs) by June 30, 2024. The legislation also enabled municipalities to consider earlier termination of LUCs provided those bylaws are adopted by June 30, 2022.

On November 24, 2015, Richmond City Council adopted a set of bylaws that will terminate 93 separate LUCs that include single-family properties one year after adoption. The early termination date for those affected LUCs is November 24, 2016.

Section 543 of the *Local Government Act* allows the Board of Variance to consider appeals to extend the provisions of a LUC beyond the early termination date for a specified period of time ending no later than June 30, 2024. The appeal must be made by the owner alleging that the timing of the termination of the LUC would cause the owner hardship. The application must also be made within six (6) months of the adoption of the early termination bylaw, and the Board of Variance must make a decision on an application within six (6) months after the application is received. If an order is granted by the Board of Variance, it cannot run with the land. In other words, the appeal would not apply to future owners or purchasers of the property.

Findings of Fact

Table 1 indicates the regulatory context of the subject property, selected property features, and the date that the application to the Board of Variance was received.

Table 1	
Site Area:	389 m ² (4,187 ft ²)
Land Uses:	Existing single detached dwelling
OCP Designation:	Neighbourhood Residential
Underlying Zoning:	Single Detached (RS1/B)
Land Use Contract No:	LUC 101
Application Date:	April 6, 2016

Existing development immediately surrounding the subject property is as follows:

- To the North, directly across Hollymount Drive, is a single-family dwelling on a lot under LUC 101.
- To the South, is a 7-unit townhouse complex on a lot zoned “Low Density Townhouses (RTL1)”, which fronts Steveston Highway.
- To the East and West, are single-family dwellings on lots under LUC 101.

Table 2 provides a comparison of some of the key regulations for a single-family dwelling at the subject property under the LUC; with the regulations of the underlying zone. The table does not include any court orders made since registration of the LUC.

* preliminary estimate; exact building size to be determined through compliance review at Building Permit stage.

¹ Disclaimer: This comparison summary is provided for general information only and does not form a representation by the City. Any person making a land use, building construction or financial decision should obtain independent advice regarding all applicable regulations.

Public Consultation

In accordance with the *Local Government Act* and the Board of Variance Bylaw No. 9259, a notice of the subject application has been mailed to the applicant and to all owners and residents within 50 m (164 ft.) of the subject property stating the subject matter of the application and the date, time, and place of the Board of Variance meeting at which the application will be considered.

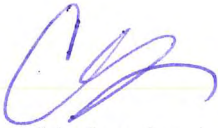

The owner of the subject property and those that received the notice may be heard by the Board of Variance at the meeting prior to the Board of Variance making a decision on the subject application.

Conclusion

The owner of 10671 Hollymount Drive has requested an appeal to the Board of Variance to extend the early termination date of the Land Use Contract as it applies to their property from November 24, 2016 to June 30, 2024 (the applicant has not specified a date for their extension).

At the conclusion of the meeting of the Board of Variance, the Board may:

- Grant or deny the order requested by the applicant and provide reasons for the grant or denial.
- Request further information from the applicant, City staff, or any person who has made a submission to the Board in respect of the application and adjourn the meeting.
- Reserve its decision and provide a written decision at a later date.

Re: **Board of Variance Appeal (Eric Wai-Yip Tung & Erica Suk Qun Chow,
5820 Goldeneye Place)**

Purpose

The registered owners of 5820 Goldeneye Place have requested an appeal to the Board of Variance (BOV) to extend the early termination date of the Land Use Contract (LUC) as it applies to their property from November 24, 2016 to June 30, 2024. A location map and aerial photo of the subject property is included in Attachment 1. A copy of the completed application package is included in Attachment 2.
