DEALING WITH IRREGULAR HOUSEHOLD ITEMS

Richmond makes recycling easy through a number of convenient services ranging from curbside collection to drop-off programs. While many household items like paper, plastic and food scraps are recycled weekly, sometimes it's not clear what to do with irregular items like batteries, electronics and wood waste.

SCRAP METAL AND WOOD WASTE: Recycle scrap metal and small amounts of clean wood waste at the Richmond Recycling Depot. For large quantities of wood, including painted or treated wood waste, take materials to EcoWaste (Visit ecowaste.com for hours of operation and map).

CELL PHONES AND BATTERIES: Drop off at the Richmond Recycling Depot.

PLASTICS LIKE TOYS, LAUNDRY HAMPERS & HANGERS: Drop off at the Richmond Recycling Depot.

ELECTRONICS: Drop off at the Richmond Recycling Depot.

FATS, OILS AND GREASE: Grease solids and small amounts of liquid fats and oils that can be absorbed by paper towel or newspaper go into the Green Cart. Large amounts of cooking oil can be dropped off at the Richmond Recycling Depot.

PROPANE TANKS AND BUTANE CYLINDERS: Drop off at the Richmond Recycling Depot.

LARGE AND SMALL APPLIANCES: Drop off at the Richmond Recycling Depot.

BLUE CART RECYCLING GUIDE

BLUE CART RECYCLING MADE EASY!

Let's trim our waste!

Recycle paper, plastic containers, paper cartons, glass, tin and aluminium and more with your Blue Cart program.

www.richmond.ca/recycle

REMINDER: Recyclables like paper, plastic containers, tin and aluminium cans, food scraps and yard trimmings are not permitted in the garbage. Please use your City recycling services to conveniently recycle these items.

BLUE CART RECYCLING GUIDE

Here's how to use the City's Blue Cart program to recycle at home.

- Sort all recyclable items into the reusable indoor collection bag provided to each unit.
- Take your reusable bag to the recycling collection area for your complex and empty them into the Mixed Paper, Glass and Containers Recycling Carts.
- Some carts are collected from a central site each week; however, some are brought to a designated collection area. If your complex requires carts be moved to a designated collection area, please ensure the carts are there before 7:30 a.m. on collection day, but no earlier than 8:00 p.m. the night before.

Statutory holidays will not affect collection. The only exception is Christmas Day, where collection may occur one day later if on a weekday.

Please use the guide below for information on what items go in your Blue Cart. For more information on recycling visit www.richmond.ca/recycle.

WHAT GOES WHERE:

All newsprint and paper items are combined into the Mixed Paper Recycling Cart

Glass jars & glass bottles are separated into the Glass Recycling Cart

Plastic bottles, tin & aluminium cans plus many other items go in the Containers Recycling Cart

This guide highlights the accepted recyclable items, how to sort them using the Mixed Paper, Containers and Glass Recycling Carts. For a full list of accepted items, visit www.richmond.ca/recycle.
