### Greater Vancouver Sewerage and Drainage District

#### DELEGATIONS

**John Ranta, Mayor, Village of Cache Creek** **Heard**

John Ranta, Mayor, Village of Cache Creek, provided the history of the working relationship between the Village of Cache Creek and Metro Vancouver, voiced concerns about waste export to the United States, and suggested that Metro Vancouver consider the Cache Creek Landfill Extension as an interim waste disposal solution.

Chief Mike Retasket, Bonaparte Indian Band, spoke in opposition to waste export to the United States, requested that the jobs be retained in the region, expressed the band's willingness to work on a potential in-province solution, and presented documents demonstrating Bonaparte Indian Band's support of the Cache Creek Landfill Extension.

The documents will be retained with the March 28, 2008 Greater Vancouver Sewerage and Drainage agenda package.

Chief Greg Blain, Ashcroft Indian Band, informed the Board that the letter from Chief Pasco introduced at the January 25, 2008 Board meeting was not authorized by all chiefs and will get ultimately revoked. The Board was also informed that the Ashcroft Indian Band is working closely with Wastech on an agreement, supported by 90% of community members.

**Amendment of the Solid Waste Management Plan to Authorize Disposal of Municipal Solid Waste to the United States**

**Approved**

The Board directed Metro Vancouver staff to:

- (a) Apply for an amendment to Metro Vancouver's 1995 Regional Solid Waste Management Plan to authorize the export of municipal solid waste for either processing or disposal in the United States;
- (b) Seek legal assurances that the export of what may be considered a resource will not fetter Metro Vancouver under the provisions of NAFTA;
- (c) Initiate a competitive bidding process for the export of solid waste to the United States; and
- (d) Continue to discuss the amendment with staff from Ministry of Environment and, if further specificity is required, report back to the Board subsequent to the competitive process; and to provide regular updates regarding the status of the amendment of the Solid Waste Management Plan enabling the waste export to the United States and report on legal assurances of the viability of this option.

The Board received for information the report dated March 13, 2008 from the Waste Management Committee titled "Amendment of the Solid Waste Management Plan to Authorize Disposal of Municipal Solid Waste to the United States".
