Staff Report

Origin

In 2006, the City adopted the Child Care Development Policy 4017 (Attachment 3) which acknowledges that quality and affordable child care is an essential service in the community for residents, employers and employees. Policy 4017 directs staff to plan, partner and, as resources and budgets become available, support a range of quality, affordable childcare including: facilities, spaces, programming, equipment, and support resources. The Child Care Development Statutory Reserve and the Child Care Operating Statutory Reserve were established to financially assist non-profit societies with providing child care grants for minor capital improvements and support resources for child care providers.

This report supports Council's 2014-2018 Term Goal #2 A Vibrant, Active and Connected City:

Continue the development and implementation of an excellent and accessible system of programs, services, and public spaces that reflect Richmond's demographics, rich heritage, diverse needs, and unique opportunities, and that facilitate active, caring, and connected communities.

This report supports the City's Social Development Strategy Action #10 Support the establishment of high quality, safe child care services in Richmond through:

Administering the City's Child Care Grant Program to support the provision of quality, affordable, accessible child care in Richmond.

Findings of Fact

2017 Child Care Grants Budget

The City has two Child Care Reserve Funds:

- The Child Care Development Reserve Fund (Bylaw No. 6367), established in 1994 for capital expenses including grants to non-profit societies for capital purchases and improvements (e.g. equipment, furnishings, renovations and playground development); and
- The Child Care Operating Reserve Fund (Bylaw No. 8877), established in May 2012 to assist with non-capital expenses including grants to non-profit societies to support child care professional and program development within Richmond.

On December 12, 2016, as part of the 2017 Capital Budget, City Council approved the expenditure of \$50,000 from the Child Care Development Reserve to be used for the 2017 Child Care Capital Grants. On the same date, an expenditure of \$10,000 was also approved from the Child Care Operating Reserve to provide a budget for the 2017 Child Care Professional and Program Development Grants.

Notice Given and Applications Received

Through October and November 2016, a call for applications for the 2017 Child Care Grants was posted on the City Page and City Website. An advertisement was placed in the Richmond News on three separate publication dates to promote the 2017 Child Care Grants. A notice about the 2017 Child Care Grants was also sent to the Richmond Child Care Resource and Referral Centre to share with their child care operator contacts. The deadline for submissions was November 20, 2016. A total of six applications were received of which two were for Child Care Capital Grants and four were for Child Care Professional and Program Development Grants. Applicants to the 2017 Child Care Grants Program submitted their proposals using the City's online web based grant application system.

AnalysisApplication Review Process

The Child Care Development Advisory Committee (CCDAC) convened a Child Care Grants Subcommittee to review the 2017 Child Care Grant applications and supporting materials. The subcommittee met on November 30, 2016 with the staff liaison. They discussed the grant applications and requests from the following organizations:

2017 Child Care Grant Applicants and Requests		Requested Amount
Capital Grant Applicants and Requests		
1.	Little Wings Day Care Centre Society	\$4,836.62
2.	Richmond Society for Community Living	\$3,700.00
	Total Amount Requested for Capital Grants	\$8,536.62
Professional and Program Development Grant Applicants and Requests		
3.	Child Care Training and Professional Development Society of Richmond	\$6,000.00
4.	Richmond Society for Community Living	\$2,000.00
5.	The Perfect Present Daycare and Inter-generational Learning Project	\$5,000.00
6.	Volunteer Richmond Information Services Society	\$2,500.00
	Total Amount Requested for Professional and Program Development Grants	\$15,500.00
	Total Amount Requests for 2017 Child Care Grants	\$24,036.62

The Child Care Grants Subcommittee assessed each application for eligibility in compliance with the Child Care Grant Guidelines (Attachment 3). Applications were also scored by the subcommittee members using a rating sheet (Attachment 4). The subcommittee prepared recommendations for consideration by the CCDAC voting members.

On December 14, 2016, the CCDAC received a report from its Child Care Grants Subcommittee about the 2017 Child Care Grant applications. The total requests for the 2017 Child Care Grants amount to \$24,036.62.

The two Capital Grant requests amount to \$8,536.62. Applicants are seeking funding to replace furnishings and equipment, and purchase new outdoor play equipment.

The four Professional and Program Development Grant requests amount to \$15,500. Two of the applicants are seeking funding to provide training opportunities for Richmond child care providers (e.g. Circles of Caring Conference 2017 and Loose Parts 2 Workshops: Inspiring Play with Infants and Toddlers). One applicant is requesting funding to purchase adaptive equipment and toys to add to their existing lending library which is used by Richmond-based child care programs serving children with developmental disabilities. Another applicant is seeking funding to develop an inter-generational child care program within a seniors centre.

The CCDAC is recommending that the two Child Care Capital Grants be funded as requested for a total amount of \$8,536.62. Staff will explore a second grant intake in 2017 as a way to use the remaining capital grant funds of \$41,463.38.

The Child Care Professional and Program Development Grant requests exceed the available budget. One application is not eligible as the organization is not a registered society in BC. The CCDAC is recommending that the available \$10,000 budget for this grant stream be allocated to three organizations with one receiving a lower than requested amount. Staff support the CCDAC recommendations as proposed in the attached list of 2017 Child Care Grants (Attachment 1).

For reference, summaries of the 2017 Child Care Grant applications are included with this report (Attachment 2). As the contents of the summary sheets are taken verbatim from the applicants submissions, they will replicate any errors or omissions made by the applicant.

Financial Impact

The 2017 Child Care Grants budget of \$60,000 approved by City Council on December 12, 2016 as part of the 2017 Capital Budget is sufficient to support two grant streams: the Child Care Capital Grants and the Child Care Professional and Program Development Grants. A total of \$18,536.62 in allocations is being recommended for the 2017 Child Care Grants, subject to City Council's approval. Staff will explore providing a second grant intake in 2017 to utilize the remaining capital grant funds of \$41,463.38.

Conclusion

The Child Care Grants will assist with enhancing the provision of quality, affordable and accessible child care throughout Richmond. Staff recommend approval of the proposed CCDAC's recommendations for the 2017 Child Care Capital Grants amounting to \$18,536.62 with \$8,536.62 allocated to the two Child Care Capital Grant requests and \$10,000 allocated to three of the 2017 Child Care Professional and Program Development Grant requests.

Child Care Grants - Program Guidelines

Introduction

The City of Richmond provides grants to non-profit societies who provide child care services within the City's geographic boundaries. Child Care grants are funded by voluntary community amenity contributions from developers. These funds are held in the Child Care Development Reserve or the Child Care Operating Reserve. The ability to provide grants is subject to available funding and there may be years when the grant program(s) are not offered. For more information about the City of Richmond's approach to supporting child care services, please see the attached *City of Richmond's Child Care Development Policy*.

Eligibility

Non-profit societies that either (1) provide child care services or (2) support the provision of child care services are eligible. Applicants may be either non-profit child care providers seeking to improve the quality or capacity of care in their facility, or non-profit societies supporting quality programming and/or providing professional development opportunities for the broader child care community in Richmond.

Purpose

Child care grants are available for both: (1) capital and (2) professional and program development expenses. These purposes are outlined below.

(1) Capital

Capital grants are provided to acquire or upgrade physical assets such as property, buildings and equipment. Funding is available for a **one-time capital expense** that will improve the quality, availability and accessibility of child care in Richmond, such as: equipment, furnishings, renovations, playground improvements. For equipment to qualify as a capital expenditure, it must be of long-term use and durability (e.g., an easel would qualify; art supplies would not).

(2) Professional and Program Development

Non-profit societies developing or providing professional and program development opportunities (e.g., training, workshops) are eligible to apply for funding. The initiatives must be of benefit to the broader child care community in Richmond, rather than to a few specific centres. The need for and benefit to the child care community must be demonstrated.

Priorities

Priority will be given to applications supporting infant/toddler and school-age care, identified as priorities in the 2009 – 2016 Richmond Child Care Needs Assessment and Strategy.

Online Grant Application Process

The City of Richmond has moved to an online grant application process. Please refer to the *City of Richmond Child Care Grant Program - City Grants Web-based System Grant Applicant User Guide* which is posted on the City's web site. The guide provides tips and illustrations for all sections of the grant application. In preparation for submitting an application, please have electronic documents in a location on your computer so they can be attached as requested. The user guide lists the preferred file formats for documents, spreadsheets and pictures. There are also forms posted on the City's web site that you can use to provide information on licensed capacity, project budgets and project timelines. If your Society previously received a child care grant, you will need to submit a grant use report to explain how the funds were used. This information must be submitted in order to be considered for a new grant. Here is a list of the items to have ready for attaching to your application:

- Society Incorporation Certificate, Contact List for the Society's Board of Directors, Officers and Executive Director, Most Recent Annual General Meeting Minutes, Provincial Child Care License(s), Last Year's Financial Statements or Audited Statement, Current Year Operating Budget, Itemized Project Budget, Project Timeline, and Support Letters; and

- Funds must be used within one year of receipt by successful applicants.
- All grant recipients must provide a photo (for capital grants only) and a report documenting the use of the funds and the benefits received, as soon as complete (at the latest, one year following receipt) to the Child Care Development Advisory Committee.
- In addition, the grant received should be mentioned in any newsletter published by the organization and the City of Richmond logo included in any related publicity.

Consent to these terms will be requested as part of the application process.

Review Process and Approval Process

Grant submissions are first reviewed by City staff from the Community Social Development Division to determine eligibility and completeness. The City of Richmond's Child Care Development Advisory Committee reviews the grant applications and makes recommendations to City Council. These are summarized by staff into a report that is presented to Council for their consideration. All decisions concerning the approval of Child Care grants are made by Council. These decisions are final and there is no appeal process.

Submit an Application

The City of Richmond has an online web based grant application. The *Child Care Grants Program Guidelines* and the *Child Care Web-based System Grant Applicant User Guide* are useful resources to assist you with filing an online grant application. Only electronic applications will be accepted.

Application Deadlines and Decisions

The deadline for submitting a grant application will be determined annually. Late applications are not accepted. Please visit the City's grants web site for more information on the grant program and important application deadlines:
