## Staff Report

### Origin

In 2005, Council revised the dog licensing fees. In the interim, there have been a number of enhancements to the City's dog licensing program.

### Analysis

The following enhancements to the program have occurred:

- A transition was made from metal licence that was replaced every year to a permanent metal licence with a distinctive licence number that is issued for the life of the dog. The new licence is simply validated annually by a coloured decal. This simplified process reduces the cost and waste of providing replacement metal licences every year.
- provided ten 'drop boxes' for the payment of outstanding licence fees by cheque at many Community Centres. This new service has assisted residents in making their renewal payments at more convenient locations than City Hall.
- transitioned from a 'reminder' letter for annual renewals to an actual invoice based on the category of all dogs within our dog licensing database. This has provided a clearly defined obligation for payment, resulting in quicker payment and permitting the City to forward unpaid invoices for collection.

For the calendar year of 2010, the City issued 6,330 invoices for licences covering dogs that were resident in the City.

Category of Dog Licence	Number	Percentage of Total
Regular dogs – Neutered or spayed	4,544	71.8%
Regular dogs – Neutered or spayed – Senior owner	793	12.5%
Regular dogs – Not neutered or spayed	836	13.2%
Dangerous dogs – Neutered or spayed	68	1.1%
Dangerous dogs - Not neutered or spayed	41	0.6%
Regular dogs – Not neutered or spayed – Senior owner	37	0.6%
Dangerous dogs – Neutered or spayed – Senior owner	11	0.2%
Totals	6,330	100.00%

Revenue from the City's dog licensing program for the last full calendar year of 2009 was \$148,000 which offsets a portion of the annual cost of \$320,000 of the 2009 - 2011 contract for

the operation of the City's animal shelter on No. 5 Road and animal control services from 10 am to 6 pm, Monday to Friday and 9 am to 5 pm, Saturday and Sunday.

The next dog licensing program enhancements for development and a future report to Council are:

1. the on-line payment by residents of dog licence fees through the City's web site. This additional payment option would further enhance convenience for dog owners; and
2. the upgrade of the dog licensing database from the present, labour-intensive spreadsheet format to a more efficient and specialized software. This enhancement would hopefully provide a network access to the dog licence records for the field animal enforcement staff and provide a flexible management reporting function.

An estimated cost for the required software and hardware to facilitate on-line payment and more effectively automate Calls for Service and Dog Licensing will be included in the Community Bylaws Capital budget submission for consideration.

Attachment 1 compares dog licensing fees for municipalities in the Lower Mainland with the existing licensing fees in Richmond. While the City's fees compare favourably with other municipalities, staff will be reviewing this comparison during 2011 to ensure that any revenue from licensing keeps pace with increasing costs associated with animal control services.

Amendments to the Dog Licencing Bylaw No. 7138 are attached to reflect the enhanced licensing format for regular dogs and dangerous dogs. Staff is also taking this opportunity to:

1. amend various other sections of the Dog Licencing Bylaw No. 7138 to address:
  - a. ambiguities in the wording of the licensing requirements to regular dogs and dangerous dogs;
  - b. the definition of a dog running at large in the context of dog licensing; the present definition is based on the Animal Control Regulation Bylaw No. 7932; and
2. amend the Municipal Ticket Information Authorization Bylaw No. 7321 and the Notice of Bylaw Violation Dispute Adjudication Bylaw No. 8122 to transfer the hearing of disputes from the Provincial Court system to the City's more convenient and cost-effective dispute adjudication system.

#### **Financial Impact**

No financial impact.

#### **Conclusion**

Staff recommends that Council:

September 24, 2010

- 4 -

- adopt the attached amendments to the Dog Licencing Bylaw No. 7138, Municipal Ticket Information Authorization Bylaw No. 7321 and Notice of Violation Dispute Adjudication Bylaw No. 8122.
