

stillness & motion, Nancy Chew and Jacqueline Metz, 2015

Public Art in Richmond has truly blossomed since the founding of the Program by City Council in 1997. We are proud to be home to a wealth of signature artworks identifying Richmond's dedication to creating a vibrant city in which to live and visit. Use this brochure as a guide to visit some of our public art works in the Oval Village. Throughout the city, you will discover public art integrated into parks, architectural facades, on the grounds of civic buildings and along the Canada Line skytrain stations.
