

City of Richmond

Dear Professional Photographers/ Photo Clubs,
RE: weddings, family photos, head shots, group hobby photography, etc.

Interior Photo Shoots: For photo shoots inside any of our buildings, you must have prior permission. Booking one of our indoor facilities incurs a charge, at a rate to be determined with more detailed knowledge of your request.

Exterior Photo Shoots: Photography in exterior park areas is not chargeable. You are welcome to take photographs in park areas, but your set-up and posed groups must not block pathways or access to buildings.

The following activities are not permitted:

- Photographs inside any enclosed garden areas or allotment gardens.
- Entering any water or marsh areas
- Movement of benches or outdoor artefacts
- Climbing on any outdoor artefacts
- Entering secured exhibit areas
- Smoking or drinking alcohol on site
- Use of UAV (drone) equipment .The City of Richmond bylaw #8771 banned the use of drones in parks city wide as of August 1st 2015.

Please respect our regulations, as well as the staff and volunteers who will be present on site to enforce them.
