Subject: arterial road policy

Response to survey:

- 1) yes, to the need for densification along arterial roads (regrettable perhaps but necessary)
- 2) yes, to 2 storey building height, instead of 2 and 1/2 (more sky is much much better)
- 3) on rear year setbacks, a question should have been for 6 meters.
Not clear why 4.5 was the option, not 6 meters.
I would vote for 6 meters, in the interests of green space.
