**PETITION**  
***NO TO THE NEW VISION***

**SAVE OUR PARK**  
**SAY NO TO ANY CHANGES**

**NO TO ARTIFICIAL TURF AT SOUTH ARM PARK**

**We, the residents of the surrounding area of the South Arm Park and park users are against any changes pertaining to the existing park and do not endorse such changes.**

**We do not want more basketball courts, lights, jogging and walking tracks, outdoor exercise equipments, outdoor covered gathering places, outdoor concerts, etc...**

**This would completely destroy the serenity and tranquility of the park, fuel only noise pollution, vandalism and make the park an unsafe environment.**

**This would completely destroy the ecosystem, the beauty of the park and our green paradise that we so cherish.**

**We want a park and not an outdoor sports and entertainment center. We already have the community center which provides all the necessary equipment and facilities for sports and entertainment if one is so inclined.**
