Attention: To All Tenderers

Dear Sir/Madame:

Re: Contract T.4711 – Granville Avenue Watermain Replacement Sliplining - Addendum One

This Addendum includes items of clarification, forms part of the Contract Documents and shall be read, interpreted and coordinated with all other parts. Please review and consider the following information in the preparation of your Tenders:

I. Questions and Answers:

QUESTION:

On the drawings it shows a 300 steel water line connected to the Ex 762 steel watermain at chainage 1+690 just east of the connection to No. 3 road. Is this a live connection that needs to be connected to the new 550 HDPE pipe that is being installed?

ANSWER:

Connection to the existing 300 steel water line at station 1+690 is not necessary.

II. Additional Requirements

Please add the following to **SSP 7 – Dewatering and Drainage**

The Contractor shall be expected to remove all the water within the existing 760mm steel watermain along Granville Avenue from No. 3 Road to No. 2 Road.

Yours truly,

Kerry Lynne Gillis
Buyer 2
