

# Alina Malik

## How long have you been volunteering in total?

7 years

## Why do you volunteer?

It allows me to build critical thinking skills, excellent leadership and adaptability. I am also able to meet various like-minded individuals.

## What are your top 2 volunteering experiences in Richmond?

I liked working on South Arm Youth Council and the Skills for Success Summer Camp.

## How has volunteering connected you with people from diverse backgrounds and life experiences, and expanded your views?

I have connected with a variety of individuals through various programs and events including seniors, youth and children.
