Staff Report

Origin

Section 165 of the *Community Charter* requires the City to adopt a 5 Year Financial Plan (5YFP) Bylaw. Section 173 of the *Community Charter* states that a municipality must not make an expenditure other than one authorized in its annual financial plan. The 5YFP Bylaw provides the City with the authority to proceed with spending to the limits as outlined in the bylaw. The City is required under section 166 of the *Community Charter* to undertake a process of public consultation prior to adoption of the 5YFP.

The 5YFP Bylaw No. 10515 consolidates the budgets for Utility, Operating, Capital budgets and One-Time Expenditures. The key components of 5YFP Bylaw No. 10515 are as follows:

| Budget Report | Approval Date | Council Resolution |
|--|-------------------|--------------------------------|
| 2024 Utility Budgets and Rates | November 14, 2023 | Approved as presented |
| 2024 Operating and Capital Budgets for Richmond Public Library | December 11, 2023 | Approved as presented |
| 2024 Proposed Operating Budget | December 11, 2023 | Approved as presented |
| 2024 One-Time Expenditures | December 11, 2023 | Approved as presented |
| 2024 Proposed Capital Budget | December 11, 2023 | Approved as amended by Council |

Table 1: Summary of Approval of the 2024 Budgets

The 2024 Utility rates were approved by Council on November 14, 2023 and the following bylaws were adopted on November 27, 2023:

- Flood Protection Bylaw No. 10426, Amendment Bylaw No. 10499
- Sanitary Sewer Bylaw No. 10427, Amendment Bylaw No. 10500
- Solid Waste & Recycling Regulation Bylaw No. 6803, Amendment Bylaw No. 10501
- Waterworks and Water Rates Bylaw No. 5637, Amendment Bylaw No. 10502

The Consolidated 5YFP includes the preliminary draft budget for the City's wholly owned subsidiary Richmond Olympic Oval Corporation.

The Consolidated 5YFP does not include the budget for Lulu Island Energy Company (LIEC) since LIEC has been classified as a Government Business Enterprise and is required to apply International Financial Reporting Standards while the City is required to report under Public Sector Accounting Standards.

The Consolidated 5YFP Bylaw includes estimates for 2025-2028 based on information currently available and will be revised with the financial plan for each respective year. Inclusion in the financial plan for 2025 and beyond does not represent final approval.

Analysis

This report combines the Council approved 2024 budgets and additional items into a consolidated financial plan to provide expenditure authorization, allowing the City to formally proceed with delivering programs and services to the community. In addition, the 5YFP includes operating and capital carryforward amounts that have been approved in prior years, however, projects and programs are expected to be completed in 2024 and future years.

Adjustments with No Impact on Rates

Included in the One-Time Expenditures approved by Council is an amount to fund the Public Safety Mobile Command and Communication Centre Vehicle. This Community Safety vehicle will be included as part of the 2024 Capital Budget within the 5YFP bylaw as presented in Attachment 1. Attachments 2 and 3 present the Approved 5 Year Capital Plan (2024-2028) Summary and Funding Sources.

Additional Amounts Funded by Reserves

In order to obtain expenditure authorization through the 5YFP, an estimate of \$2,260,000 will be added to the 2024 Affordable Housing program with funding of \$2,210,000 from the Affordable Housing City-Wide reserve and \$50,000 from the Affordable Housing Operating Reserve. Disbursements for these additional amounts are subject to Council authorization.

Additional Amounts Funded by Rate Stabilization Account

In order to obtain expenditure authorization through the 5YFP, an additional amount of \$604,000 is added to the Community Social Development operating budget funded by the Rate Stabilization Account. Programs will delivered as approved by Council.

Prior Year Capital Carryforwards

The 5YFP includes amounts from previously approved and funded projects that are still in progress as capital projects may take several years to complete after Council approval. There is no tax impact as a result of including these amounts in the financial plan.

Prior Year Operating Carryforwards

The 5YFP includes amounts from previously approved and funded projects that are still in progress, including one-time expenditures and operating programs funded by previous budgets, which may take several years to complete after Council approval. There is no tax impact as a result of including these amounts in the financial plan.

Developer Contributed Assets

The 5YFP also includes an estimate for the value of negotiated developer contributed assets that the City will take ownership of as a result of rezoning approvals. This includes dedicated land under new road, infrastructure and building facilities contributed by developers. There is no cost to the City for building the initial infrastructure; however, it becomes part of the City's inventory

of assets to maintain and eventually replace. There are also Operating Budget Impacts (OBI) associated with developer contributed assets and the OBI's will be included in the budget process for consideration when the assets are in service.

Operating Budget Impacts (OBI)

The 5YFP includes OBI estimates for approved capital projects where applicable. The approved 2024 Capital Budget includes OBI for water infrastructure and flood protection projects. Since the approval occurred subsequent to the setting of the utility rates, this additional operating cost is not factored into the 2024 utility rates. This additional impact will be funded by the water levy stabilization account and flood protection provision account and will be incorporated into the 2025 utility rates.

Attachment 4 presents the breakdown of the 2024 Municipal Tax Dollar with approved OBI and Additional Levels.

Public Consultation

Section 166 of the *Community Charter* requires a process of public consultation prior to adoption of the 5YFP. In order to comply with this requirement, the following communication initiatives will include:

- preparing an information bulletin on the City website with a link to the budget and 5YFP reports;
- engaging a public forum on Let's Talk Richmond scheduled to launch on January 8, 2024;
- utilizing social media to raise awareness of the public consultation period through Facebook and X (formerly known as Twitter) accounts; and
- advertising in the *Vancouver Sun/Province* as a reminder of the ongoing public consultation.

Table 2 summarizes the results from the last public consultation for the Consolidated 5YFP (2023 - 2027).

Table 2: Results from Public Consultation for the Consolidated 5YFP (2023 – 2027)

| Public Consultation Statistics | Consolidated 5YFP (2023 - 2027) |
|--------------------------------|---------------------------------|
| Number of Engagements | 510 |
| Number of Comments Received | 29 |

In order to ensure that the 5YFP consultation is effective and efficient, staff will continue to conduct the process through Let's Talk Richmond and social media.

The public consultation period will run until January 21, 2024 and staff will report the results to Council in advance of the meeting scheduled to give final reading to the 5YFP bylaw.

Financial Impact

The Consolidated 5YFP (2024-2028) has been prepared in accordance with Section 165 of the *Community Charter* and includes the proposed expenditures and funding sources which have been approved by Council. Table 3 summarizes the proposed 2024 tax increase of 5.62%, and estimates for 2025 through 2028. The estimated tax increase for the 5YFP includes a 1.00% increase for investment in community infrastructure each year in accordance with Council's Long Term Financial Management Strategy.
