Communicable Disease Prevention Plan Informed Consent & Permission Form

BY SIGNING THIS DOCUMENT, YOU AND YOUR CHILD'S LEGAL RIGHTS MAY BE AFFECTED

PLEASE READ CAREFULLY!

We are operating our facilities in accordance with the City of Richmond's Communicable Disease Prevention Plan (CDPP), a guide that provides important information required to help prevent communicable diseases in City workplaces and facilities. As such, we are permitting user groups access to our facilities on the basis that CDPP guidelines will be adhered to by user groups and individual participants. Safety of staff and the community is our priority.

It is important that that no person who is feeling unwell with symptoms consistent with a communicable disease visits any of our facilities and/or utilize any of our services. It is also important that no person brings a child who feels unwell or is showing any symptoms consistent with a communicable disease to any of our facilities and/or programs.

Please Note: If your child is displaying symptoms of respiratory distress or illness, they will be asked not to participate.

A communicable disease is an illness caused by an infectious agent or its toxic product that can be transmitted in a facility from person to person through bodily fluids or discharge, contaminated surfaces or objects. Examples of the more common communicable diseases that may circulated include COVID-19, norovirus, and seasonal influenza.

Communicable Disease	Common Symptoms
COVID – 19	Fever, cough, flu-like symptoms, shortness of breath and breathing difficulties
Influenza	Fever, cough, sore throat, runny or stuffy nose, muscle/body aches, headaches, fatigue, sometimes vomiting and diarrhea
Norovirus	Diarrhea, vomiting, nausea, stomach pain, fever, headaches, body aches

We will emphasize hygiene and provide for handwashing in our programs. However, it is vital that registrants be permitted to play and this includes games where there will be touching (such as tag) and use of playground equipment.

It is vital that we all be calm and compassionate and uphold the Respectful Environment Code of Conduct requirements when using City of Richmond facilities. Any person who exhibits any aggression towards our staff or any other person in one of our facilities and/or programs will be asked to leave and not return.

I/we have read, understand and agree to the Informed Consent and Permission Form.				
I/we have reviewed the Informed Consent and Permission Form with my/our child and have instructed our child to listen to and follow the instructions provided.
