Before applying, please read the following carefully

1. General

Permits issued by the City of Richmond (the "City") are subject to the following terms and conditions. These terms and conditions are subject to change without notice.

2. NSF Fee

An NSF fee will be added to Non-sufficient funds cheques.

3. Rates

Annual fee - \$100.00 plus GST. Non-refundable (January 1 through December 31). Permits are not Pro Rated (50% off for seniors).

4. Parking Identification

A permit must be displayed at all times on the rear-view mirror or window with the lot and expiry date facing out. Failure to properly display a permit may result in vehicle being ticketed or towed at the owner's expense.

5. Liability

Parking charges are for use of parking space only and the City assumes no responsibility for injury, death, property damage, theft or loss of or to persons or vehicles occurring in or around the parking area.

6. Assignment

Parking privileges cannot be assigned to other persons. A Permit is valid only for the lot to which it is assigned. Altering a permit makes it null and void.

7. Breach

Breach of any of these terms and conditions may result in any or all of the following: suspension of parking privileges, termination of permit without notice and/or towing of vehicle at permit holder's expense.

8. Other Conditions

Assignment and location of parking spaces are within the City's sole discretion. The City does not guarantee the availability of parking within the permit area at all times. Permit holders must comply with all posted parking requirements and all applicable municipal and provincial laws.

I have read, understood, and agree to the terms and conditions set out above.
