

Active Every Day - Get moving in Richmond

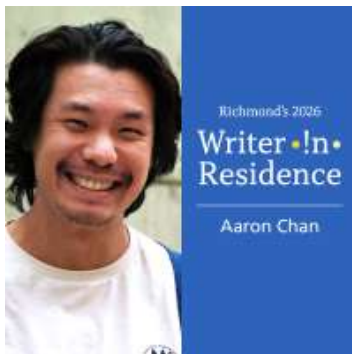

What if a small change in your daily routine could boost your energy, lift your mood and help you connect with others in your community? Discover how being active every day can transform your life and unlock new possibilities, right here in Richmond.

Richmond was named Canada's Most Active Community in 2025 through the ParticipACTION Community Challenge, and now, we're inviting all Richmond residents to join the movement.

Hear directly from your neighbours how being active has boosted their confidence, fostered new friendships and improved their well-being. Their stories reveal how small steps toward activity can lead to lasting benefits for your health and happiness.

Explore their stories, discover activities that fit your lifestyle and find your own way to be active every day.

2026/2027 Preschool and Out of School Care Registration Opens early April

Community centre preschool programs spark curiosity and build confidence through play-based learning that supports every stage of development — intellectual, social, physical and emotional. In welcoming, inclusive classrooms, children from diverse cultures and backgrounds learn, grow and discover together in a positive, caring environment.

Out of School Care programs keep the learning and fun going beyond the school day. Led by energetic, creative instructors, children enjoy engaging activities in a safe and supportive setting that encourages friendships, independence and new skills. Programs are offered at Cambie, Hamilton, South Arm and West Richmond community centres.

Registrations start in early April.

Volunteer Spotlight | Marcia Dash

Marcia came to Vancouver from England 50 years ago to attend UBC — and never left!. Through her volunteer work at Britannia Shipyards National Historic Site and the Steveston Tram, she has discovered a deep appreciation for Steveston’s rich history and loves sharing those stories with visitors and the community.

Thank you Marcia!
