

Presented by Emergency Programs

Richmond Resilient Communities Workshop

FREE

Connected – Prepared – Informed
Respond better. Recover faster.

Specifically designed for each community, workshops enable participants to:

- Build knowledge and awareness of risks and hazards;
- Create basic family emergency plans to share with family and friends;
- Learn about emergency notification systems, specifically Richmond BC Alert;
- Develop neighbourhood community emergency response maps & plans.

The two hour workshop will be delivered in every community in Richmond.
